OUR VISION

To be the best and set the pace in the express air and integrated transportation and distribution industry, with a business and human conscience.

We commit to develop, reward and recognise our people who, through high quality and professional service, and use of sophisticated technology, will meet and exceed customer and stakeholder expectations profitably.

Our Guiding Principles

We will:

- Treat each other fairly and with respect and dignity.
- Encourage freedom in communication of thoughts and ideas in all our interactions.
- Value integrity and be uncompromising in upholding it at all times.
- Give due importance to the health, safety and well-being of our people.
- Ensure that our 'People First' philosophy serves as a driving force behind the success of our organisation.
- Encourage and inculcate in all a winning attitude.
- Encourage learning, self-development and building effective leadership.
- Expect our people to be accountable for all their actions related to the company.
- Provide a workplace where each and every employee is nurtured and who, in turn, will nurture the organisation, thereby creating wealth for stakeholders.
- Drive the 'First Time Right' concept to achieve 100% Quality and Customer Satisfaction.
- Encourage passion and enthusiasm for Work, Service Quality and Customer Care.
- Project a positive, caring and professional image of ourselves and our service at all times.
- Avoid waste by being conscious of the impact of all our actions on the environment.
- Continue to be a law-abiding, apolitical and secular company.

CHAIRMAN'S STATEMENT

Dear Shareholders,

At the outset, let me wish you all a healthy year and let's hope that before the year 2020 ends, the world gets rid of the devastating pandemic.

Overall, the year 2019-20 was a challenging year across the globe. Though Indian economy had begun to regain momentum towards the end of quarter 3 of 2019-20, a country-wide lockdown since late March, 2020 due to outbreak of COVID – 19 impacted the Indian Economy. The COVID-19 pandemic saw the world grappling with its widespread impact on the economy. Businesses across sectors and geographies were disrupted due to mobility suspension. In this challenging environment, Blue Dart worked closely with the coronavirus task force of its parent company, Deutsche Post DHL, to minimise potential impacts and risks to the business. The task force provided vital updates and necessary information which helped in planning, communicating and engaging effectively with the customers and employees on precautionary measures and permissible guidelines to operate across geographies during the lockdown.

The nation went into a Lockdown that impacted the economy and disrupted the supply- chain. It is estimated that the economy in Apr – June quarter is expected to contract by 40 – 45 %. Our business from sectors such as BFSI, e-commerce, Automotive was impacted, in other sectors like Pharmaceuticals, Medical Equipments, Consumer Electronics, we did well.

Your Company drives market leadership through its motivated people, dedicated air and ground capacity, cutting-edge technology, wide range of innovative, vertical specific products and value-added services to deliver unmatched standards of service quality to its customers through strong operational execution. Guided by these principles the “Blue Dart Way”, led us to maintain our market leadership position in the industry.

In these challenging circumstances, the entire team of 12,000+ employees are working together “As One” and making daily incremental improvements within the company, its policies and procedures. This winning culture continues to positively transform your organization in innumerable ways.

Despite such a challenging scenario, Income from operations for the financial year ended March 31, 2020, stood at ₹ 3,16,639 Lakhs. Your Company posted loss before tax of ₹ 4,720 Lakhs for the financial year ended March 31, 2020 on account of exceptional items in respect of implementation of Ind AS 116 related to Lease Accounting (₹ 6,662 lakhs), organization right sizing/restructuring (₹ 6,411 lakhs) and adverse impact of Covid-19 (₹ 5,420 lakhs) aggregating to ₹ 18,493 lakhs. Your Company carried over 2,403 Lakhs domestic shipments and over 8 Lakhs international shipments weighing more than 769,490 tons during the financial year ended March 31, 2020.

Considering overall performance for the current year, emerging challenges consequent to COVID-19, uncertain economic environment and with an objective to conserve cash and ensure sufficient liquidity for operations, your Directors do not recommend dividend for the financial year ended March 31, 2020. Even as this Annual Report gets published, the COVID-19 situation continues to be fluid and unpredictable. Over the years, your Company has built a strong foundation and best-in-class processes through ‘Business Contingency and Continuity Planning’ (BCCP) ensuring business operations run seamlessly during any unforeseen event. The emergency caused by coronavirus highlights both the challenges and the importance of building a holistic management process.

Your Company, enacted procedures to protect its employees, customers and communities, as their safety is paramount. Blue Darters utilized remote-work capabilities to stay connected and ensured to keep the trade engine running. It was a proud moment to work with the Indian Government and private healthcare companies, supporting the company's mission to ensure ‘continuity of the essential supply chain’ for the nation in its fight against the COVID-19 pandemic. Blue Dart's dedicated six Boeing 757 freighters had been deployed to fly between Indian cities supporting critical shipments of pharmaceuticals and medical supplies. The efforts were acknowledged by the Government authorities.

However, with COVID-19 accelerating, the growth of the national economy will be impacted through reduced demand, and further compounded by supply chain disruptions. India's gross domestic product (GDP) growth during calendar 2020 has been revised to 2.5 per cent from an earlier estimate of 5.3 per cent, in the wake of the lingering impact of the coronavirus pandemic and later, on May 8,

¹ Moody's Investors Service

2020, revised to zero. The rating company expects a bounce back to 6.6% growth in FY 2022, assuming a gradual pick-up in economic activity and demand in the second half¹.

The future is more challenging than ever before. Your Company has put in place measures to mitigate the challenging situation by ensuring business continuity, resource optimisation, improving cost efficiencies, enhancing service quality and investing in technology enabled solutions to drive business growth and provide a seamless experience for all stakeholders (customers and employees).

Blue Dart is focusing on delivering excellence in a digital world to drive forward the business. It has streamlined its IT infrastructure adhering to global benchmarks. With a customer focused strategy, your Company remains committed to serve its customers and retain its leadership position in the air and ground express logistics industry in India.

In pursuit of becoming future ready, we are building an agile and nimble organization that can withstand economic headwinds and maintain sustainable profitability on the basis of a strong foundation. Accordingly, your company undertook a right sizing exercise to provide long term value creation for stakeholders.

Your Company added two new state-of-the-art AIR HUBs at Chennai and Mumbai Airport in 2019 to further strengthen the Air Express service and build operational excellence and efficiency.

Blue Dart has been certified to global ISO 9001-2015 standards. Your company endeavours not only to comply with statutory requirements but also follow the principles of good and effective Corporate Governance that lay down a strong emphasis on integrity, transparency and overall corporate accountability. It gives me immense pleasure to inform you that our efforts and good practices have been applauded and recognized by various external organisations. Your Company won the coveted 'Golden Peacock Award for Corporate Ethics – 2019' at The Institute of Directors 4th Annual Global Convention on Corporate Ethics & Risk Management, held in January this year at Singapore.

Corporate Responsibility has been an integral part of the organisation since its inception in 1983. Your Company believes that while continuing to generate wealth for its shareholders, it is equally important to share it equitably with the community. Globally, DPDHL group has embarked on a journey to achieve zero emissions by 2050 and be the industry benchmark for responsible business practices. As part of the group, Blue Dart is proudly committed to contribute to the group's mission of "Zero Emission by 2050" and work towards amplifying its initiatives under the theme of "Connecting People, Improving Lives".

In the year gone by, 99.18% of Blue Darters participated in the Annual Employee Satisfaction Survey (ESS). 'Pride in working for Blue Dart' emerged as the highest scored item with 96.4%. This was further validated with prestigious industry recognitions among one of 'India's Best Companies to Work For - 2019' by The Great Place to Work® Institute, India, ranked amongst 'Best Multinational Workplaces in Asia 2019' by The Great Place to Work® Institute, Asia, voted a 'Superbrand' and 'Reader's Digest Most Trusted Brand', listed as "Company with Great People Managers" by Great Manager Institute and Forbes to name a few.

As we embark on this next chapter of our journey, I would like to acknowledge and thank our long-term Director, Mr. Malcolm Monteiro, who resigned from the Company's Board with effect from 17 January 2020 for his valuable contribution to Blue Dart over the last 3 decades and wish him great success for the future.

I would like to take this opportunity to reiterate that your Company stands united with the nation during this challenging phase of COVID-19. Your Company played an active role in the nation's fight against the COVID-19 Pandemic by transporting over thousands of tons of essential supplies in coordination with the Government of India, several State Governments, Municipalities, Pharmaceutical companies, Hospitals and other Research institutions. The company is also honoured to be a part of the Government's 'Lifeline Udan' initiative.

On behalf of the Board of Directors, I would like to take this opportunity to thank our customers, shareholders and Blue Darters for their continued commitment and support.

It gives me great pleasure to share with you the Annual Report of your Company for the year ended March 31, 2020.

Warm regards,

Mumbai

BUSINESS RESPONSIBILITY REPORT

BUSINESS RESPONSIBILITY AT BLUE DART

It is a privilege to present the 'Business Responsibility Report' of Blue Dart Express Limited for the FY 2019-20. In conformance to the requirements of the clause (f) of sub regulation (2) of regulation 34 of SEBI's Listing Regulations, this report is aligned with the nine principles of the National Voluntary Guidelines on Social, Environmental & Economic Responsibilities of Business (NVG-SEE) notified by the Ministry of Corporate Affairs, Government of India. Additionally, this report includes 'Corporate Social Responsibility' (CSR) section which is compliant to Schedule VII of Section 135 of the Companies Act, 2013. The report involves disclosure of the following nine principles as per NVG-SEE framework:

Principle 1 Businesses should conduct and govern themselves with Ethics, Transparency and Accountability	Principle 2 Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle	Principle 3 Businesses should promote the wellbeing of all employees
Principle 4 Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised	Principle 5 Businesses should respect and promote human rights	Principle 6 Businesses should respect, protect, and make efforts to restore the environment
Principle 7 Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner	Principle 8 Businesses should support inclusive growth and equitable development	Principle 9 Businesses should engage with and provide value to their customers and consumers in a responsible manner

BUILDING A RESPONSIBLE BUSINESS – ETHICS AND CORPORATE GOVERNANCE

Blue Dart believes that it is imperative for it to manage its business affairs in a fair and transparent manner with firm commitment to its values. For Blue Dart, Corporate Governance is an ethically driven business process that is committed to values, aimed at enhancing the organisation's brand and reputation.

Since inception, Blue Dart has inculcated and maintained a strong culture of values, ethics and integrity. The basic philosophy of Corporate Governance at Blue Dart is to achieve business excellence and to create and enhance the value for its shareholders, customers, employees and business associates thereby making a significant contribution to the economy. Blue Dart's corporate governance framework is a reflection of its culture, policies, relationship with stakeholders and commitment to values. The Company endeavours to achieve the highest levels of transparency, accountability, integrity and responsibility and continues to focus on good corporate governance, in line with local and global standards. As a responsible corporate citizen, the company complies with applicable laws of the land in letter as well as in spirit.

At Blue Dart, the aspects of Human Rights are embedded in the Company's Whistle Blower Policy, Policy on Prevention, Prohibition and Redressal of Sexual Harassment of Women at Workplace, Risk Management Policy and HR Code of Conduct. The Whistleblower policy of the Company provides procedural framework to handle concerns and grievances of employees, customers, vendors and/or third party intermediaries. The HR code of conduct covers aspects of safe and healthy work environment and no discrimination. Being an equal opportunity workplace, Blue Dart ensures that the rights of women employees of the company are not compromised by putting clear guidelines and grievance mechanism in place. In this regard, the Company has formulated a Policy on 'Prevention, Prohibition and Redressal of Sexual Harassment of Women at Workplace' with an objective of protection against sexual harassment of women and providing safe working environment to them.

The Company has laid down a Code of Conduct for the Board Members and Senior Management Team of the Company. The Company has also laid down a Code of Conduct for its employees. The Code of Conduct is a comprehensive document which articulates the Company's expectations from its people to reflect on the ethics and values of the organisation and resultantly earn goodwill of its customers and enhance its reputation. The Company has also laid down 'Vendor Code of Conduct' for all its vendors.

At Blue Dart, we value high ethical standards of behavior and expect honesty, openness and integrity in whatever we do. The Company has formalized this process and institutionalized the 'Whistle Blower Policy' within the organisation. The Whistle Blower Policy ensures that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination will be meted out to any person for a genuinely raised concern. Pursuant thereto, a dedicated helpline viz. bluedart@ethicshelpline.in has been set up which is managed by an independent professional entity.

The Company has posted the "Whistle Blower Policy" on its website which can be accessed at https://www.nseprimeir.com/z_BlueDart/files/BlueDart_Whistle_Blower_Policy.pdf.

During Financial Year 2019-20, three whistle-blower complaints were received which were investigated and acted upon. Further, no Investors complaints were received during the year ended March 31, 2020. During the last 5 years, no cases were filed against the company in respect of unfair trade practices, irresponsible advertising and/or anti-competitive behaviour.

The Company's Code of Conduct upholds the principles of human rights and fair treatment. This policy covers the company and extends to its group, suppliers and contractors. The company has a grievance redressal mechanism through which it receives complaints on the human rights aspects and satisfactorily resolves it. The grievance cell covers human rights issues such as child labour, forced labour, sexual harassment and discriminatory employment etc. During FY 2019-20, ten employee complaints were received and satisfactorily resolved. Further, two complaints were received from Vendor and satisfactorily resolved.

Blue Dart pursues policy advocacy in a responsible manner. The company is a member of associations viz; International Market Assessment India Private Limited, FICCI, EICI, Maharashtra Economic Development Council, CMIE, Nine Dot Nine, CFO Collective, Mediaworx Private Limited, Bombay Management Association, The Institute Of Internal Auditors, Bombay Chartered Accountants Society, Indian Merchant Chambers, Mumbai First, Bombay Chamber Of Commerce & Industry and Confederation Of Indian Industry. Through the above mentioned associations, Blue Dart has advocated for advancement and improvement of public good.

Blue Dart Aviation Limited (BDAL), a subsidiary of the Company, is the first and largest domestic cargo airline in the country which has sustained its operations for the past 24 years. It is the sole domestic freighter operator with scheduled flights. Policies that have been framed by the Ministry of Civil Aviation and the regulator have heretofore catered primarily to the growing passenger segment with numerous airlines operating larger fleet of aircraft. It is therefore necessary for BDAL to chart out and steer policies for operations which are, in many ways, divergent from passenger operations. The submissions, both individually and jointly with the trade bodies viz; CII, FICCI and EICI, made to the regulators (DGCA, AERA, BCAS), AAI and to the Ministry of Civil Aviation over the past 12 years were through a process of engagement, awareness building, collaborative approach, education and benchmarking proven and successful best practices.

The initiatives and policy changes thus made have averted major cost and operations impact and benefitted not just BDAL, but all future cargo airline operators. These initiatives have contributed to greater efficiency and sustainability of the air cargo transportation segment. The initiatives and policies include:

- Ground Handling Policy: Dispensation for domestic freighter operators
- Cargo Working Group Report on Air Cargo Logistics in India published by the MoCA in 2012. Several inputs were provided by BDAL
- National Civil Aviation Policy June 2016: Policy changes in air cargo including long lease tenure of airport facilities for air express freighter operators, International operations for cargo airlines with FDI
- Clarification on import duty for engines
- CII Sub Committee on Sustainable Growth Strategies for Indian Aviation led by BDAL
- MoCA Task Force on Skill Development for the Air Cargo Segment

MANAGING STAKEHOLDER PRIORITIES – STAKEHOLDER ENGAGEMENT AT BLUE DART

Blue Dart is committed to openness in dealing with all stakeholders. Transparency and honesty are the guiding principles in its communication activities internally as well as externally. Blue Dart is guided by the principle of "right-to-know" and hence provides access to company information recommended by recognized standards of corporate governance to all its stakeholders.

Blue Dart has identified Government, governmental organizations, regulators, customers, suppliers, investors, civil society organizations and the consumers as its key stakeholders. Blue Dart actively engages with these stakeholders to create an environment which is supportive of solutions. Blue Dart has defined the modes of engagement, frequency of engagement, key agenda and feedback mechanism for its various stakeholders separately. The formal processes of engagement with various stakeholders include:

- Identification of key stakeholders
- Consultation with key stakeholders
- Identification and prioritization of concerns and needs
- Addressing the prioritized concerns and needs in a consistent and transparent manner

As part of its Corporate Social Responsibility, Blue Dart organises various programs for the upliftment of disadvantaged, vulnerable, underprivileged and marginalized sections of society. All programs are classified under the three pillars of "Connecting People, Improving Lives" – GoTeach, GoGreen and GoHelp. Stakeholders have been clearly identified for every program. These include students and young adults from underprivileged background, people with disabilities, women, senior citizens etc. in the areas of education, preventive healthcare, women empowerment, sanitation, waste management etc. A detailed description of the activities can be found in the Corporate Social Responsibility section.

Engagement with NGOs

Blue Dart has partnered with several non-profit organizations of high repute in various capacities to run programs which are aligned under the three pillars. Blue Dart works closely with each of its NGO partners to identify the stakeholders and beneficiaries of each intervention. Blue Dart also extends assistance to various NGOs by providing free of cost logistics support to them. The company stretches its hand to help in the best possible way to support NGOs that work for the elderly, less privileged children, disabled people, those providing relief materials in disaster hit areas and many more noteworthy causes.

Customer Value at Blue Dart

Blue Dart places the highest priority on making customers successful, knowing that customer success guarantees its own success. The company's activities are governed by its knowledge of the requirements of customers and the market. The company includes and prioritizes 'customer focus' in all its business processes, projects and dealings. Knowing that the company will be measured by its ethical, social and environmental performance as much as by the quality of its service, Blue Dart strives for best practices in all these areas to secure customer trust and goodwill and thus enhance its reputation.

Blue Dart has an established grievance mechanism to resolve customer complaints. The source of receiving grievance can be verbal, written, through mail or social media. All these complaints get logged into a module called CARESS-Complaint Appreciation Resolution & Evaluation to Satisfaction System. Blue Dart has carried over 2,403.98 Lakhs domestic shipments and over 8.44 Lakhs international Shipments out of which 0.17% complaints were registered and resolved. There were 12 customer grievances which are yet to be resolved since customer premises are closed due to lockdown.

Net Promoter Score (NPS)

Blue Dart nurtures a strong First Choice culture. The Company drives a quality program named First Choice that has a five step DMAIC (Define, Measure, Analyze, Improve and Control) approach based on the Six Sigma methodology to address pain area with sustainable solutions. The brand also deploys the Net Promoter Approach that helps identify the Net Promoter Score and highlights the areas of improvement. The Approach

relentlessly works on achieving “best-in-class” Customer Satisfaction standards. Blue Dart’s equity, a measure of customer loyalty towards a brand, is the highest amongst its peers. The brand is associated with international standards, reliability, trustworthiness, hi-technology, strong corporate social responsibility and customer centricity.

Global Customer Satisfaction Survey

The global customer satisfaction survey is an online survey initiated annually by DPDHL Group. The survey is conducted via a short online questionnaire.

In India, Blue Dart customers are reached out to evaluate the services. Loyalty questions like ‘satisfaction’ and ‘recommendation’ are augmented by eight touch point statements.

ASPIRING TO BE EMPLOYER OF CHOICE: WORKFORCE MANAGEMENT AT BLUE DART

Human capital is the most important resource for the success of an organisation. Blue Dart is known to be an Employer of Choice. It is a people-focused company. Blue Dart acknowledges the importance of employees and takes sincere efforts to ensure their well-being.

In pursuit of becoming future ready, we are building an agile and nimble organization that can withstand economic headwinds and maintain sustainable profitability on the basis of a strong foundation. To improve our cost efficiency, the company undertook a right sizing exercise to provide long term value creation for stakeholders.

Employee diversity at Blue Dart

As on March 31, 2020, Blue Dart comprised over 12,000 employees of which 529 are women. Blue Dart has also availed services through outsourced service providers. With a view to empower the specially-abled, Blue Dart employs specially-abled individuals as permanent employees. Blue Dart provides equal opportunity as an employer where no discrimination is made on the basis of gender, caste or creed. The company sees employee diversity as a guiding principle in its employment policy. This means promoting the diversity and heterogeneity of the individuals in the company in order to attain the highest possible productivity, creativity and efficiency. Skills, performance and ethical conduct are the only indicators for employee qualification at Blue Dart.

Engagement with employees

The company has identified employees as a key stakeholder group. Blue Dart engages with employees on a frequent basis through various modes like daily news, team briefs, open houses, town halls, Executive Development Review (EDR), etc. and has identified key employee priorities such as career building and growth, trainings. Additionally, Blue Dart carries out skill development and safety related trainings for employees. It also conducts employee satisfaction surveys.

Blue Dart believes that its employees deserve to work in a safe and healthy environment. The company is therefore committed to a healthy and congenial work environment for its people. Blue Dart promotes health care as a key element of its sustained productivity and the quality of its

BUSINESS RESPONSIBILITY REPORT

services. Blue Dart provides safety and skill up-gradation trainings to its permanent employees. Apart from this, Blue Dart employs individuals from underprivileged backgrounds and those that are physically challenged to promote inclusive growth.

Addressing employee grievances

Blue Dart makes sure that employee grievances reach management through its grievance redressal mechanism. This grievance mechanism for employees covers aspects on human right issues (child labour, forced/involuntary labour), discriminatory employment and sexual harassment. The grievance redressal process consists of following steps:

- i. Employees fill the prescribed form under the GRP (Grievance Redressal Programme) and submit to their immediate superior.
- ii. The grievance is reviewed at Branch level first and if not closed in 7 days, it is forwarded for Regional review.
- iii. If it is not closed in 7 days, it is forwarded for Managing Director's review who within 7 working days communicates his decision to the Corporate HR & RH for implementation.

In view of above, Blue Dart does not have an employee association that is recognized by the management.

ENVIRONMENT & ENERGY

Blue Dart acknowledges the impact of its business activities on the environment and is committed to improving its environmental track record through precautionary measures and the use of environment friendly technology. Blue Dart's parent company viz; DPDHL has an Environment Policy which is binding for all its group companies. The policy has primary objectives of achieving transparency, improving operational efficiency and minimizing environmental impact, generating value, demonstrating leadership and mobilizing employees. The company measures its processes and services against the highest quality standards. The guiding principles of Blue Dart are national and international environmental standards - such as ISO 9001-2015 standard series.

Environmental risks at Blue Dart

Emission is identified as a major risk by Blue Dart. Blue Dart monitors its emissions from transportation via air and road ways on a regular basis and is compliant with the Motor-Vehicle act and Pollution certificate. Emissions and waste generated by Blue Dart are within the permissible limits given by CPCB/SPCB. Hence, no legal notices have been received from CPCB/ SPCB.

Addressing environmental concerns

As part of DPDHL group, Blue Dart aims to follow the mandate of Mission 2050.

Mission 2050 - Zero emissions: From now until 2050, the Group's mission will be to drive business towards zero emissions logistics by setting the standard for the future of the transport sector and doing its part to help the world community reach its goal of limiting global warming to less than two degrees Celsius.

Under the Connecting People, Improving Lives credo of GoGreen, Blue Dart has undertaken certain initiatives to protect the environment. The initiatives include:

1. Plantation of saplings
2. Energy conservation techniques such as usage of LED lamps in offices, power saver, GoGreen lights off initiative
3. Celebration of earth-hour every month, earth day, world environment day
4. Installation of sensors in water taps in Headquarter with an aim to save water
5. Route optimisation techniques

Blue Dart believes in providing services that are safe and thus contributes to their sustainability. Blue Dart has taken following initiatives to incorporate environmental concerns, risks and opportunities in its day to day services:

A. Smart Truck

Blue Dart's Smart Truck technology is designed to provide solutions to urban logistics challenges such as traffic restrictions, density and clogging, while ensuring environmental protection and fulfilling customer need for on-time delivery. These "intelligent" pick-up and delivery vehicles compute delivery deadlines to calculate the ideal sequence for shipments, and use real-time GPS to avoid traffic jams and optimize routings, thereby enabling flexibility and last-minute pick-ups. This allows the Smart Truck to spend more time on the road to perform their pick-up and delivery services.

B. Carbon Neutral Service (CNS)

Since 2012, Blue Dart offers a specialized Carbon Neutral Service initiative, wherein customers are provided with an environmentally responsible shipping option to neutralize the carbon emissions produced by the transportation of their shipments. Blue Dart, along with DPDHL Group offers India's first end-to-end GoGreen Carbon Neutral Service across international and domestic markets. It is an extension of DPDHL Group's global environment protection program which was launched in 2008.

The service allows customers to neutralize their carbon footprint by paying an offset charge over and above their shipping rates. The carbon emissions resulting from the transportation of customer's shipments are offset by re-investing in environmental protection projects verified by SGS (Societe Generale de Surveillance), a United Nations independent auditor. A certificate verified by SGS is issued to CNS customers annually that mentions the total amount of CO₂ offset against the emissions resulting from the transportation of their shipments.

The GoGreen Carbon Neutral Service provides benefits like evaluation of emissions, offsetting of carbon emissions in high quality Gold Standard projects through CO₂ emission reports, robust accounting systems to measure CO₂ inventory, annual certificate and availability on all products range – domestic and international. Other benefits include effective carbon management, ensuring a balance between economic benefit and assuming responsibility for communities, positive impact on climate change and support corporate sustainability mandates.

Since the launch of the environment protection program in 2008, Blue Dart has seen a lot of interest evinced by customers who pursue sustainability as a part of their agenda. Ever since the launch in 2012, this service has been subscribed to by over 2,592 environmentally responsible customers till 2019. CNS not only enables customers to contribute to a greener future, but also helps build healthier and productive communities.

DPDHL Group has set a target of 30% efficiency improvement over the base of 2008 by 2020 for all its group companies. Blue Dart has surpassed the target by achieving an efficiency improvement of 31% in 2019 itself.

Following are a few examples of initiatives taken to support carbon neutrality in various business decisions:

- Replacing aircraft engines with variants having higher efficiency and lower emissions
- Re-lamping facilities with CFL or LED bulbs in replacement of incandescent bulbs
- Switching from CRT to LCD computer monitors
- Using translucent roofing materials to benefit from natural lighting in hubs
- Air and Ground network route optimization to improve network utilization and emission efficiency
- Facility for customers to receive their shipments at centrally located parcel locker facilities rather than opting for home and office deliveries
- Delivery of shipments by bicycles and by staff travelling on foot for destinations close to the service centres

BUSINESS RESPONSIBILITY REPORT

C. Packaging options

- Smart Box (Domestic)

A convenient, economical, packaging unit priced to include a door-to-door delivery service within India. The units come in 2 sizes – 10kgs and 25kgs, and are designed to accommodate a variety of products.

- Express Pallet (Domestic)

A convenient, flexible yet economical way to send goods within India in both air and ground modes. The units come in 3 sizes, which can be built to accommodate 50kg, 75kg and 100 kg, and are designed to accommodate a variety of products.

D. Recycling Canvas Bags

The use and disposal of canvas bags has a severe impact on the environment that leads to global warming. In order to reduce its carbon impact and minimize waste generation, Blue Dart recycles canvas bags. Canvas bag is reused as small polybags are put together into a single canvas bag for delivery of shipments. Canvas bags are used 6-7 times before safe disposal.

E. Kill Bill Concept

Blue Dart has introduced the Kill Bill concept in its delivery facilities. The Company has stopped using Goods Receipt which is given by the transporter to the owner after loading the goods. It has also minimized the use of Air Waybills (AWB) i.e. an air consignment note given by an airline to the owner as an evidence of the contract of carriage. Alternatively, Blue Dart uses bar code or thermal stickers in transportation of goods.

F. Green Electricity

Green Electricity is defined as either electricity from renewable electricity sources – directly or indirectly – or electricity balanced by the purchase of renewable electricity certificates. Blue Dart, based on its electricity consumption during the year, purchases green electricity through iREC (international Renewable Electricity Certificates).

Sustainable Sourcing at Blue Dart

Blue Dart has taken steps in sustainable sourcing of their transportation facilities. While sourcing vehicles from vendors, the company ensures that every vehicle should have all valid paperwork such as RC Book, Vehicle fitness certificate, National Permit, Insurance Paper, PUC. It also ensures that the driver possesses a valid driving license.

Improving capacities and capabilities of Local vendors

Blue Dart has been constantly working on improving the capacity and capability of local and small vendors.

• Regional Service Participants (RSP):

Blue Dart appoints its RSP to perform sales, deliveries and services including domestic priority, international shipments, dart apex and surface. This also involves sub products which are communicated by Blue Dart from time to time. Blue Dart and RSP are independently owned separate legal entities. Services are rendered by RSP to Blue Dart with respect to - timely pick up, outbound shipment that generate revenue, deliveries of Blue Dart shipments as per service quality norms and customer promise within the terms of the agreement signed by both the parties and any additional services which may be agreed in writing from time to time and called upon by Blue Dart.

The agreement is clear about the geographical area with specified pin code locations within which the Regional Service Participant has to operate. The agreement empowers the RSP to effect sales of Blue Dart products at the mutually agreed rates (specified in Rate Annexure) by using Blue Dart waybill. The RSP has its own independent office(s) in the territory through which it independently conducts its day-to-day operations. The RSP takes efforts to effectively and actively enhance the business, revenue and reputation of Blue Dart within the territory, and maintains good relations with customers and potential customers of Blue Dart.

- **Pickup – Delivery Associate (PDA)**

PDA is engaged, inter alia, in the business of providing logistics support to effect pick-up and delivery of consignments within a given geographical area with specified pin code locations in which PDA shall provide the services on a principal to principal basis. Alike RSP, PDA uses its best efforts effectively and actively to enhance the business, revenue and reputation of Blue Dart. PDA employs and maintains a sufficient number of adequately trained and competent personnel to perform duties, obligations and responsibilities with respect to the services.

- **FCC – Franchisee**

The Franchisee appointed by Blue Dart operates as a Franchise Collection Centre of Blue Dart is offered base rates for various domestic, international, SFC and apex shipments, discounted from the Tariff rate list. The Franchisee charges its customers as per the tariff card provided by Blue Dart and undertakes not to charge more than the market rate under any circumstances. The Franchisee pays to Blue Dart for each domestic and international shipment as per the base rates, irrespective of the actual rate that is charged by the Franchisee to the shipper. The Franchisee does not engage in any other business activity which is in direct competition or is similar to the type of business conducted by Blue Dart. The Franchisee ensures 100% security of all shipments picked up from its shipper and is compliant with Blue Dart's security procedures.

- **Express Sales Associates (ESA)**

In order to broad base its services by reaching the retail segment more effectively and efficiently, Blue Dart appoints Express Sales Associates who can pick up the shipments on behalf of Blue Dart from his allocated territory. ESA have the expertise to pick-up of shipments and should possess his own vehicle which will be branded as per Blue Dart's standard for picking up of the shipments. ESA represents and further warrants that they have the requisite permissions and has registration with the relevant regulatory authorities including Central Excise/Service Tax Authorities, for the purpose of operating as an ESA of Blue Dart. ESA reports and coordinates all his activities with the operation-in-charge of the nominated office of Blue Dart. ESA picks up shipment in the allocated territory from the customers and hands over the same at the transfer point on the same day together with the consolidated report (challan) of all the shipments, within the cut-off timings. When working with Blue Dart, ESA is not allowed to conduct or engage itself in any business similar to that of Blue Dart or to have any sort of business association in any capacity with any of the competitors of Blue Dart either at the local or a national level.

CORPORATE SOCIAL RESPONSIBILITY

Social responsibility is a core element in Blue Dart's corporate strategy. Blue Dart is committed to support the communities around which it operates and recognizes the need to contribute to their well-being with its initiatives. As a socially responsible corporate, Blue Dart has an in-house sustainability team responsible for identifying and addressing various sustainability issues and supporting initiatives that make the world a better place for future generations. The Corporate Social Responsibility (CSR) programs at Blue Dart are compliant to Schedule VII of Section 135 of the Companies Act, 2013.

Blue Dart positions its corporate responsibility between economic benefits and liability towards the communities. The diagram below is a pictorial representation of their corporate responsibility approach. A number of initiatives focused on environment, education, society and health care are undertaken by the Company as part of its Corporate Social Responsibility (CSR) intervention.

CSR Committee

Blue Dart Express Limited has constituted a CSR Committee in the Meeting of Board of Directors of the Company held on February 5, 2014 as contemplated under the provisions of the Companies Act, 2013. The CSR Committee of the Board comprises of Mr. Sharad Upasani as Chairman of the Committee, Mr. Balfour Manuel and Ms. Tulsi N. Mirchandaney as members of the Committee. The responsibilities of this committee include formulation and updating of CSR Policy, which is approved by the Board, recommending CSR expenditure to the Board for approval and monitoring CSR activities. The company has also constituted CSR Implementation/ Management Committee for monitoring, implementation and execution of CSR initiatives adopted by the company in accordance with the provisions of Companies Act, 2013.

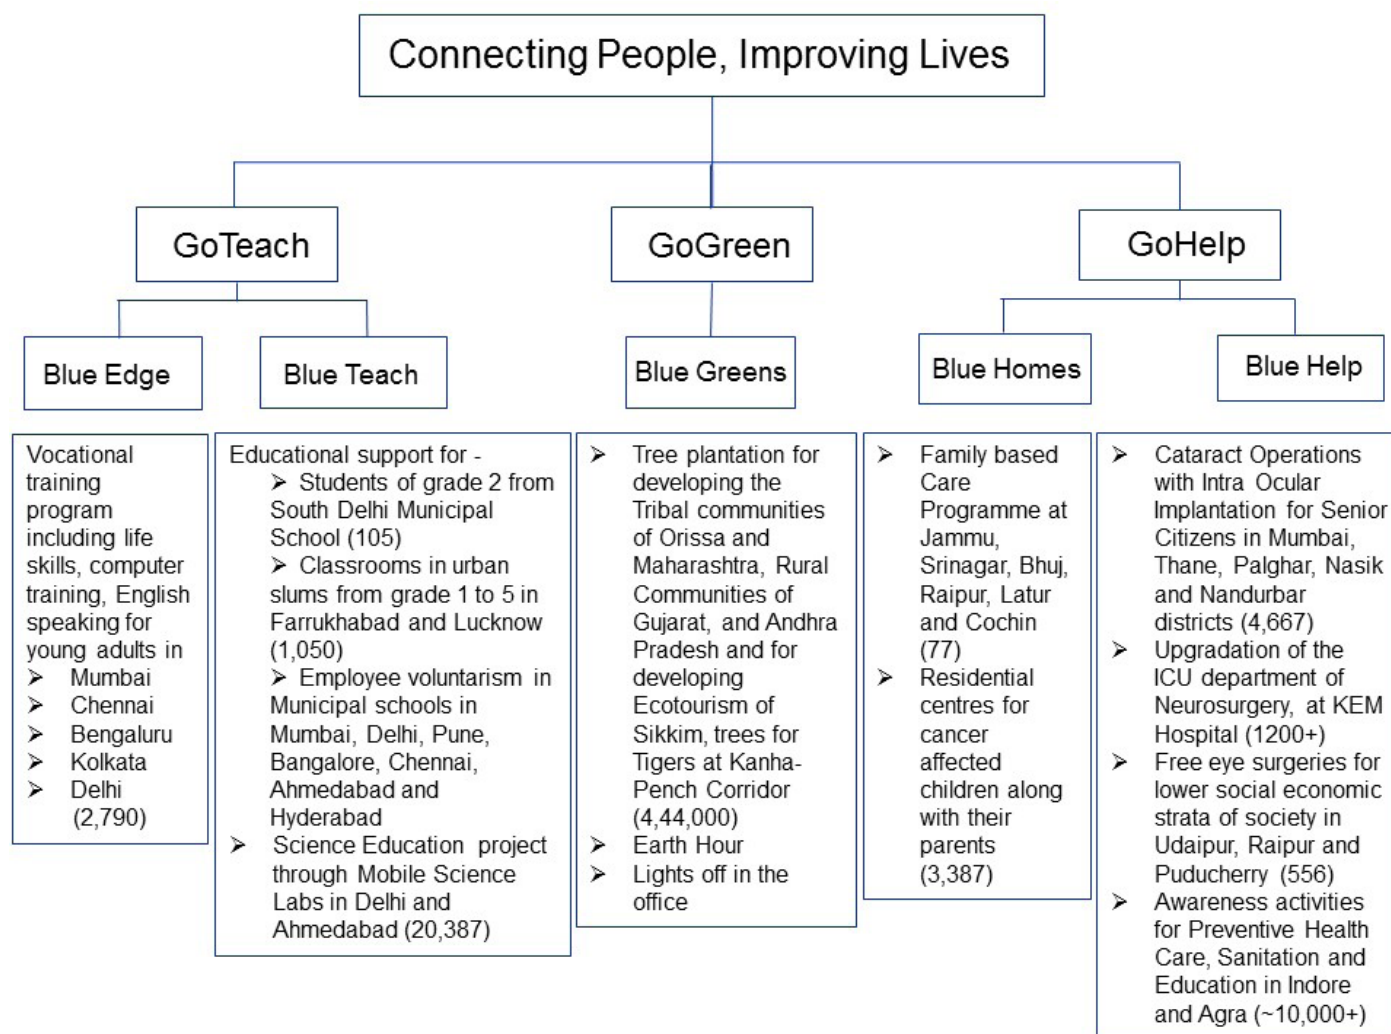

BUSINESS RESPONSIBILITY REPORT

Social Responsibility at Blue Dart

With the rapidly changing environment, Blue Dart has adopted CSR as a strategic tool for sustainable growth. For Blue Dart, CSR primarily means integration of business processes with social processes and not merely an investment of funds for social activity. Blue Dart is one of the forerunners in Corporate Social Responsibility. As an Indian company with a global outlook, Blue Dart endeavours to maintain a delicate balance between economic, environmental and social interests.

Under the motto of "Connecting People, Improving Lives", Blue Dart (along with DPDHL) focuses its corporate responsibility on three pillars namely **GoTeach (Championing Education)**, **GoGreen (Protecting the environment)** and **GoHelp (Disaster management response)**. Blue Dart has partnered with NGOs of high repute to run programs under these three pillars.

Following diagram is a presentation of the three pillars of CSR and initiatives under these three pillars.

GoTeach

Blue Dart aims to provide equal educational opportunities for the underprivileged and marginalized communities in which it works; under the Connecting People, Improving Lives credo of GoTeach, all programs are aligned under the two pillars of Blue Edge and Blue Teach.

- A. Blue Dart in association with Oasis India, Hope Foundation and Noida Deaf Society (NDS), started an initiative called **'Blue Edge: Empowering Lives'**, aimed at elevating and transforming the lives of young adults from difficult environments, who have not been able to complete their education. The program ensures that the underprivileged section of the society is not deprived of educational skills as a building block to their ability to earn and support their future and families and contribute positively to the community, at large. Blue Dart started its first Blue Edge Centre at

1. Mumbai in 2008,
2. Chennai in 2011,
3. Bengaluru in 2014,
4. Delhi in 2016 (special intervention for hearing impaired) and
5. Kolkata in 2016.

"Earlier, when my father tried interacting with me through writing, I wasn't able to understand anything. After I joined Blue Edge Delhi and learnt English, I am able to talk to him, even though it is just through writing, but I am happy that my father is taking interest in my life now".

Gurmeet Singh, 17
Blue Edge Delhi beneficiary

This program educates them about possible employment opportunities while equipping them with relevant skill sets, enabling them to make informed choices and bring stability into their lives.

Since inception, more than 2,790 students have successfully completed this program and have been felicitated at Graduation Ceremonies held in their respective cities, which boosts their morale further. Many of the students who have graduated from this program have been placed successfully in reputed organizations in sunrise verticals like Telecom, Retail, FMCG, etc. and have effectively kick-started their potentially stable careers and lives.

The award winning Blue Edge: Empowering Lives program, was recognized at a global stage for its outstanding achievement in the field of education. Blue Dart was presented with the Gold Award in the Sustainability category at the DPDHL CEO Awards, 2017.

Success of Blue Edge: Empowering Lives program ensured that it was nominated as a Lighthouse Project under GoTeach from AP EEMEA. The program also received funding of 50,000 Euros from DHL as a token of appreciation for the good work conducted in the field of education and also for further extension of this program to another city in India. This fund was used to set up the Blue Edge centre in Chennai which began operations in April 2011.

Priyanka, 18, a Blue Edge Mumbai beneficiary says that before joining Blue Edge, she used to be a habitual liar, very impatient and rude to people. But after joining Blue Edge, she acknowledges that there's a lot of change in her behaviour. She's become much calmer and patient and her approach towards life has improved.

- B. **Blue Teach** aims to reach out to beneficiaries touching their lives right from their childhood. Blue Teach elevates the lives of children from different strata of society, making them independent and sustainable in their lives.

- Blue Dart along with its other business units – DHL Express, DHL Smart Trucking, DHL Global Forwarding and DHL Supply Chain support Teach For India (TFI), a non-profit organization that is a part of the Teach For All network. College graduates and working professionals are recruited to serve as full-time teachers in low-income schools for two years. The goal is to end the problem of educational inequity in India and provide an excellent education to all children. TFI operates in 353 schools across seven cities of India - Mumbai, Pune, New Delhi, Chennai, Ahmedabad, Bengaluru and Hyderabad reaching approximately 40,000 students.

"Today we learnt about plant physiology in which we learnt how plants make their food and about capillary action. We enjoyed the activities."

Preethi, a Blue Teach Beneficiary from
Std. 6th, Co-Ed S. S. S. Rani Khara
School, Delhi.

BUSINESS RESPONSIBILITY REPORT

- Blue Dart works with Education & Health Foundation (E&H) to support the Gyan Shala model in Lucknow and Farrukhabad. The program has impacted 1050 children studying in Grade 1 to 5. E&H Foundation provides free quality education and healthcare to children in urban slums of Uttar Pradesh. Classes are held in poor bastis (slums) providing focus on quality education to the neediest underprivileged children of the society.
- Blue Dart supports one Grade of class 2 of the Peepul-SDMC (South Delhi Municipal Corporation) school (formerly Ark) in Lajpat Nagar, Delhi consisting of 105 students from 3 sections. Peepul is registered in India with a track record of working effectively with government agencies and other non-profit partners to deliver high impact education programs throughout the country.
- Intervening and encouraging hands on experience with science, Blue Dart gives the children in the remote interiors of Ahmedabad and Delhi an opportunity by providing them mobile science labs on wheels. Blue Dart runs Mobile Science Lab vans in association with Agastya International Foundation. The Mobile Science Lab vans travel to 20 government schools around Ahmedabad and Delhi to reach out to children to teach them new ways of learning in the classroom and spark their innate creativity. The Mobile Science Lab vans has reached out to over 20,387 students in the two cities.

"Group activity was very good. Students learnt about Onion cell under microscope. They learnt it in detail."

 - 20,000 trees in Sikkim
 - 10,000 trees in Yavatmal, Maharashtra
 - 3,40,830 trees in Kanha-Pench Wildlife Corridor

"Before the plantation began, I did not have much work, but now I come here every day and help in whatever way I can. It feels good to be involved in an initiative that is not just putting food on my plate but also benefitting my fellow villagers. I am now able to meet the medicinal needs of my husband and take proper care of him without worrying about where to work next. We are thankful to the teams involved in providing jobs to so many women like me."

Parvati Narayan, 62,
a Blue Greens beneficiary from Maharashtra.

These trees are planted only on public/community land so that they can benefit maximum number of people.

Blue Dart planted 1,11,000 trees in 2019 contributing to over 10% of the DPDHL Groups' global target of planting 1 million trees a year.

- **Power Saver- Lights Off:** Blue Dart practices Lights Off for an hour between 1:00 pm – 2:00 pm on the last Saturday of every month across all its offices in India.
- **Earth Hour:** Blue Dart celebrated Earth Hour on March 28, 2020 by encouraging all Blue Darters to pledge to switch off all the lights for an hour in office and for one hour at home. The activity was also promoted on Blue Dart's social media platforms by posting illustrative messages related to the environment.
- **World Environment Day:** Blue Dart observes World Environment Day by circulating mailers on Environment awareness & its Dos & Don'ts. Relevant posts are also uploaded on Blue Dart's official Facebook and Twitter Page creating awareness amongst its followers.

GoHelp

Under the Connecting People, Improving Lives credo of GoHelp, Blue Dart has aligned its initiatives under two key pillars of Blue Homes and Blue Help.

A. **Blue Homes** consists of two programs that are run in association with SOS Children's Villages of India and St. Jude India ChildCare Centres respectively.

- Advocating the concerns, rights and requirements of children in need of care and protection, Blue Dart has associated with SOS Children's Villages of India, an independent, non-governmental, social development organization that provides family-based care for parentless or abandoned children in India. Blue Dart supports six homes consisting of 60 children, in Jammu, Srinagar, Bhuj, Raipur, Latur and Cochin. SOS Children's Villages helps orphaned children in need, to help them shape their own future. Primary target beneficiaries are children without parental care (orphaned and abandoned children) and disadvantaged children in vulnerable families at the risk of losing adequate parental care.
- In 2015, Blue Dart initiated the Blue Dart Centre consisting of 12 staying facilities, in association with St. Jude India ChildCare Centres, an NGO working towards filling a vital need of care giving, nutrition and providing shelter to children suffering from cancer and under treatment at Tata Memorial hospital, Mumbai. This centre stands in the 3 buildings donated by Mumbai Port Trust at Cotton Green in Mumbai, to St. Jude India, which provides a clean, safe, hygienic place to stay, nutritional support, transportation to hospital for treatment, as well as recreation, education and counselling to needy children under treatment for cancer in Mumbai, away from their hometown. The Blue Dart Centre provides all of this and even more to the children and their parents, creating a home away from home.

"Living at Blue Homes we learnt a lot of things. We are most impressed with the care and warmth that was shown to the families. We were taught cleanliness and the importance of taking good care for the child. I, as a mother, also learnt to spend time reading story books and enjoying. We will always be thankful and grateful."

Mother of Anmol Kumar,
a Blue Home, Delhi beneficiary.

In 2017, Blue Dart extended its partnership by supporting the operational expenditure of 3 centres in Delhi, with 11 staying facilities per centre and is continuing the support this year as well.

With the coming year, Blue Dart is extending its support to Guwahati, supporting a centre with 12 staying facilities.

Blue Dart was recognized at the DPDHL CEO Awards 2018, for its efforts in Corporate Social Responsibility for Blue Homes, for the second consecutive year.

B. In association with HelpAge India, UHRC, Vision Foundation of India and KEM hospital. **Blue Help** carries out the following activities:

- Blue Dart has partnered with HelpAge India to conduct cataract surgeries with Intra Ocular Lens (IOL) implantation to the needy elders. 4,667 surgeries have been conducted till date in and around Mumbai, Thane, Nashik, Dhule, Nandurbar and Palghar districts.
- Blue Dart has partnered with Urban Health Resource Center (UHRC), for various activities to spread awareness about hygiene, cleanliness, education, consumption of clean drinking water, etc. through awareness activities like street plays, rally, etc. in Indore and Agra. Under this program, Blue Dart also runs the Blue Dart Reading Room, a mobile library for underprivileged slum children based in Indore and Agra.
- Blue Dart partnered Vision Foundation of India, 556 free cataract surgeries of the marginalized strata of the society under Project Rashtriya Netra Yagna in Udaipur, Raipur and Puducherry.
- Blue Dart in association with KEM Hospital supported in the CapEx for upgradation of the ICU of Neurology department for improving post operating treatment and recovery. Till date more 1200 beneficiaries have been impacted since the upgradation.

CSR Expenditure for FY 2019-20 – Under the umbrella of the three pillars of Connecting People, Improving Lives – GoTeach, GoHelp and GoGreen, a total amount of INR 3,72,04,413 has been spent by Blue Dart. For more details on CSR Expenditure, please refer to the Directors' Report.

The Company's performance for the month of March, 2020 has been partially impacted. The impact on our business will depend on future developments that cannot be reliably predicted. The Company will closely monitor any material changes to future economic conditions.

REVIEW OF PERFORMANCE

During the year under review, your Company successfully handled several challenges, navigated the uncertain economic environment, focused on cost efficiency measures. The Company is poised to reap the benefits of certain strategic decisions (right sizing/restructuring) implemented during the year, in the near future.

Overall, the year 2019 – 20 was a challenging year across the globe. The coronavirus pandemic occurred at a time when the world was already experiencing a challenging global scenario with rising trade barriers, geopolitical tensions, climate-related worries and subdued economic activities.

India's economy grew at 7.2% and 6.8% in fiscal 2017-18 and 2018-19 respectively. In February 2020, National Statistical Office had estimated real GDP growth for FY 2019-20 at 5.0% and this was before COVID-19 made its presence felt in India. This guided IMF to revise India's GDP growth estimates for FY 2019-20 to 4.2% in its World Economic Outlook statement of April 2020. As evident from statistics, India was already going through its longest spell of GDP decline in three decades, weakened market sentiments and investments, decline in the consumption demand, consequent decline in the credit growth and complex regulatory scenario further contributed to an economic slowdown. The latest estimates from various institutions are predicting 5-7% contraction in economy for the year 2020-21.

Despite such a challenging scenario, Income from operations for the financial year ended March 31, 2020, stood at ₹ 3,16,639 Lakhs as compared to ₹ 3,16,546 Lakhs for the financial year ended March 31, 2019. Your Company posted net loss, after accounting for one off items, on a standalone basis of ₹ 3,829 Lakhs for the financial year ended March 31, 2020 as compared to a profit after tax of ₹ 8,760 Lakhs for the financial year ended March 31, 2019.

Your Company's results for the financial year 2019-20 was impacted due to Organization Right-Sizing exercise undertaken by the Company during the year to create long term value for the stakeholders and adoption of Ind AS 116 new Accounting Standard effective April 1, 2019. COVID-19 also negatively impacted results for the month of March 2020 and further expected to impact results for the next few months.

Over the years, though the economy faced several challenges, your Company continued to be resilient and displayed exemplary service quality and excellence with high benchmarks and standards in every aspect of the business.

As the COVID-19 Pandemic continues to remain a challenge across the globe, Your Company's dedicated capacity of six Boeing 757-200 freighters carried large amount of medical and essential supplies during the nation-wide lockdown, fulfilling its promise to keep the mission-critical supply-chain running and helping the nation to fight the war against global COVID-19 pandemic. These are the lifeline of the nation carrying essential shipments such as medical equipments, pharmaceuticals, testing kits, reagents, enzymes, medical equipment (ventilators), respirators and surgical masks, gloves and other items requisitioned by the State Governments/ Municipalities/ Hospitals/ Research Laboratories during this challenging period.

Your Company has, over the past 36 years transformed to offer its customers complete 'end-to-end' supply chain solutions. It offers a wide range of innovative and simplified solutions across the industry verticals coupled with a dedicated air and ground network, high standard technology architecture, value pricing, customer satisfaction, excellent service quality and operations delivery par excellence.

Your Company has an impeccable service record driven by a motivated and passionate team, the testimony for which rests in the numerous awards bestowed on your Company over the years. As a responsible corporate entity, your Company continues to contribute towards environmental and social causes that enhance and nurture the society in which it operates.

Since inception, your Company has maintained its technology leadership and continues to invest extensively in its technology infrastructure to create differentiated delivery capabilities, quality services and customized solutions for the customers. The use of technology has optimized the cost, improved processes and allowed your Company to introduce innovative solutions to provide customers with high quality service offerings. In the last few years, your Company has adopted technology to enable tracking of shipments, dynamic route management, advanced Billing and Receivables Management System, integrating wallets for cash – on – delivery (COD), Control Tower and Network Control Module. The Company has also successfully enabled office based employees to 'work from home' during the pandemic, thereby ensuring smooth operations for essential items.

DIRECTORS' REPORT

Our key differentiators continue to be late pick-ups/early deliveries, secured network, 24x7 visibility allowing for tracking across the complete delivery chain, APIs integrated with customers and other technology and mobility solutions such as dynamic re-routing, visibility of courier movement as well as providing access to monitor net-stops from the service centres to enhance courier and route productivities.

Your Company provides the most efficient solutions to the e-commerce industry and its customers with a seamless and unique experience. To enable digital payments, your Company added 15 digital wallets on the courier hand-held machines apart from enabling acceptance of credit/debit cards.

Your Company's online presence in the social media through its official Facebook, Twitter, YouTube and LinkedIn pages reached an impressive audience base and is rapidly gathering followers, creating a stream of customers who are ardent advocates of the brand and influence a positive opinion in the new age media.

Your Company continues to be certified to the ISO 9001 standards since 1996 and successfully re-certified itself in August 2017 for the three years to a new global ISO 9001-2015 standards for "design, management and operations of the countrywide express transportation and distribution services within the Indian sub-continent and international destinations serviced through multinational express companies".

Your Company continues to drive the "First Choice" and "Net Promoter Approach" (NPA) initiatives, enhancing process improvements, customer centricity and service quality.

DIVIDEND

Considering overall performance of the financial year 2019-20, emerging challenges consequent to COVID-19, uncertain economic environment and with an objective to conserve cash and ensure sufficient liquidity for operations, your Directors do not recommend dividend for the financial year ended March 31, 2020.

Dividend Distribution Policy :

In terms of provisions of Regulation 43A of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), your Company has formulated a Dividend Distribution Policy. The policy is accessible from your Company's website at https://www.nseprimeir.com/z_BlueDart/files/Dividend_Distribution_Policy_BlueDart.pdf

With redemption of aforesaid last series, all the three series of unsecured, redeemable, non-convertible, fully paid up Debentures issued by your Company in November 2014 have since been redeemed in due compliance of provisions of law.

Axis Trustee Services Ltd. was acting as the Debenture Trustee.

DEBENTURE REDEMPTION RESERVE

In accordance with the requirements of the Companies Act, 2013, your Company had created a reserve of ₹ 208 Lakhs (previous year ₹ 703 Lakhs) on its balance Unsecured, Redeemable, Non-Convertible fully paid up Debentures which got matured and redeemed on November 20, 2019. Accordingly, your Company has transferred entire Debenture Redemption Reserve amount of ₹ 1,780 Lakhs by appropriating the Surplus in the Statement of Profit and Loss (Retained earning as per Ind AS). The balance in the Debenture Redemption Reserve as at March 31, 2020 stood at NIL (previous year ₹ 1,572 Lakhs).

OPERATIONS REVIEW

Your Company offers secured and reliable deliveries of consignments to over 35,000 locations in India. As part of the DPDHL Group, your Company accesses the largest and most comprehensive express and logistics network worldwide through DHL, covering over 220 countries and territories and offers an entire spectrum of logistics solutions.

Your Company operates with its fleet of 6 Boeing 757-200 freighter aircrafts offering a payload of 500+ tonnes per night, a flotilla of 22,336 vehicles across 35,000+ locations. Over 12,000 passionate and trained Blue Darters work in perfect harmony to deliver over 16 shipments every second of the working day. Our team of talented Blue Darters are fully committed and dedicated to deliver 'service excellence' and value for all its esteemed customers.

Your Company continues to focus on innovation, reach expansion, transit time improvements, activation of emerging towns (tier-II, III and IV) and strengthening distribution channels to enhance the reach and strives to keep delivering beyond expectations of all its stakeholders.

Your Company carried over 2,403.98 Lakhs domestic shipments and over 8.44 Lakhs international shipments weighing more than 769,490 tonnes during the financial year ended March 31, 2020.

FACILITIES / INFRASTRUCTURE

Your Company has 2,173 facilities/hubs/ offices across India. Your Company also increased the pin-code services to cater to 98% of India's business needs. Your Company plans to further strengthen and consolidate its air and ground infrastructure, expand the reach and offer the best-in-class transit times.

AVIATION SYSTEM

Your Company has an Aircraft Crew Maintenance Insurance (ACMI) Contract with Blue Dart Aviation Limited ("BDAL"), India's first domestic scheduled cargo airline in the country. BDAL is a wholly-owned subsidiary company of your Company for dedicated air carriage capacity which has ensured a key differentiator in sustaining your Company's leadership position through its unique aviation network.

During the year, your Company has received the balance amount of ₹ 1,092 Lakhs (Previous year ₹ 1,903 Lakhs) from BDAL towards repayment of the loan. As on March 31, 2020, the outstanding loan balance is NIL (Previous year ₹ 1,092 Lakhs). The loan provided

DIRECTORS' REPORT

carried an interest computed at an average of 'base' rates of IDBI Bank and ICICI Bank with interest re-set bi-annually. Your Company extended ₹ 2,644 Lakhs as Inter- Corporate Deposit to BDAL and the same was repaid in full as on March 31, 2020.

During the year, BDAL posted an On Time Performance of 87.98 % and a Technical Dispatch Reliability of 99.2%, with an average fleet life of 24.5 years, despite infrastructure constraints, ATC congestion and runway closures.

BDAL handled and uplifted 93,854 Tonnes on its network during the 12 month period which ended on March 31, 2020. In addition to the normal network, BDAL operated 42 charters and additional 120 flights totaling 711:50 hours, supplementing the scheduled night operations, supporting carriage of the above mentioned tonnage.

During the year, BDAL has carried out four major checks and completed an engine shop visit (ESV). ESV costs were controlled by procuring life limited parts (LLPs) and other components from the open market. A few hundred LLPs were shortlisted for procurement from hundreds of parts identified by the purchase team and reviewed by technical services, which helped to control the ESV cost.

BDAL has carried out the avionics upgrade modification work in-house, enhancing the capability of our entire fleet to operate in the mandated RNP-1 airspace without any restrictions. The Electronic Flight Bag (EFB) project, aimed at making our cockpits paperless, was fully implemented during the year and stands completely integrated into our operations. This resulted in a reduced weight of 42kgs on each aircraft and corresponding fuel and load efficiency, improved enhanced situational awareness of our pilots, printing cost savings and reduced carbon footprint, adding to our Go Green effort.

BDAL had successfully initiated the "As One Project" in 2017 at Hyderabad station, and further extended it to the Kolkata and Bangalore stations in 2018. During the Year 2019, the above project was streamlined and integrated into combined operations successfully. The duplications in inbound and outbound operations were eliminated, enabling better, efficient last mile connectivity and improved delivery.

FINANCE

COMPLIANCE WITH NEW ACCOUNTING STANDARDS

The Company's philosophy is to ensure compliance with all the applicable accounting standards. The finance team pro-actively reviews all new accounting standards (including amendments, if any, to the existing standards) and analyses the impact of the same on the Company. In recent past, Company successfully implemented Ind AS 115 'Revenue from Contract with Customers' effective April 2018 and Ind AS 116 'Leases' effective April 01, 2019.

COMPLIANCE WITH PROVIDENT FUND CLARIFICATION

On February 28, 2019, the Honorable Supreme Court of India has passed Judgment in respect of Provident Fund contribution for employees, where monthly basic salary is less than Rs. 15,000, only those allowances which are event specific variable in nature, linked to any incentive for production and not paid across the board to all

employees are to be excluded from 'basic wages' and are not subject to Provident Fund ("PF") contributions. All other allowances such as conveyance allowance, special allowance, education allowance, medical allowance, etc., which are paid generally without any distinction are to be treated under 'basic' and to be clubbed for PF computation.

Accordingly, the company has realigned its components of 'wages' keeping regulatory requirements and complied with the Supreme Court clarification on PF. In August 2019, the Department carried out audit of our compliances for the period 2014 to July 2019 and no qualifications were reported.

COST EFFICIENCY MEASURES

The Company during the year has been focusing on cost measures to improve efficiency and productivity without compromising on service quality. These initiatives including right sizing/restructuring, aircraft loading, vehicle utilization etc. helped in reducing the costs to some extent. The cost efficiency program is being further strengthened given the challenges posed by the pandemic COVID-19 on the economy front.

IMPLEMENTATION OF NEW BILLING SYSTEM

Finance team implemented a completely new billing system during the year. The new billing system on upgraded IT platform and with certain core changes has enabled the Company to consolidate and digitalize billing related processes.

COVID-19 IMPACT

The outbreak of COVID -19 and subsequent nationwide lockdown declared by the Government of India to combat COVID -19 caused high level of disruption on socio-economic front and an unprecedented collapse in the economic activities. There is a high level of uncertainty about duration of lockdown and expected turn-around time to restore normalcy.

The revenue, profitability and operating cash flows of your Company were significantly impacted on account of aforesaid events.

As on March 31, 2020, your Company has liquid assets (cash and cash equivalent) of ₹ 3,548 Lakhs, as against ₹ 21,026 Lakhs at the previous year end.

Your Company's Earnings per Share (basic & diluted) for the year ended March 31, 2020, stood at ₹ (16.14) per share as compared to ₹ 36.92 per share for the previous year ended March 31, 2019.

CASH FLOWS AND WORKING CAPITAL MANAGEMENT

During the year under review, Your Company has generated net cash of ₹ 9,366 Lakhs from its operations as against ₹ 15,699 Lakhs in the preceding financial year on a stand-alone basis. The reduction in liquidity is mainly on account of redemption of Debenture Series III amounting to ₹ 7,118 Lakhs and dividend payments.

Despite lower cash generation, the Company managed to meet all its obligations including normal Capital expenditure, Debt servicing

DIRECTORS' REPORT

including redemption of Non-Convertible Debenture, payment of Dividend for FY 2018-19 out of its accumulated cash generation. Your Company continued to manage its working capital efficiently without affecting Company's business activities. Your Company efficiently utilized its temporary surplus funds by investing in various high rated debt schemes (liquid category) of mutual funds / fixed deposits with banks for effective cash flow management. Liquidity in the Balance Sheet requires to be balanced between the earnings and adequate returns covering financial risk. Your Company's growth has been largely contributed through cash generation from operations which is adequate to support its working capital and debt servicing.

CREDIT RATING

Your Company continues to enjoy high credit rating for its working capital facilities / short-term debt programme:

1. "ICRA AA" (stable) (ICRA double A) (long term rating) to your Company's bank limits (working capital) of ₹ 3,615 Lakhs (including fund based and non-fund based limits). The rating is considered to have high degree of safety regarding timely servicing of financial obligations carrying very low credit risk. DHL EXPRESS (SINGAPORE) PTE. LTD., PROMOTER SHAREHOLDER

DHL Express (Singapore) Pte. Ltd. holds 75% of the Equity Capital of your Company. The combined service offerings of both organizations cover an entire spectrum of distribution within India and globally and provides customers with a firm strategic advantage. Your Company is a leading brand in the country with an unmatched domestic network, robust infrastructure and skilled personnel. DHL is an acknowledged global leader with a strong and long-standing presence in India. Together, both present a powerful backbone to the business and support the "Make in India" mission.

In our efforts to constantly collaborate and optimise with support of group companies viz; DHL Express (India) Pvt. Ltd., DHL Supply Chain (India) Pvt. Ltd., DHL Logistics Pvt. Ltd., DHL eCommerce (India) LLP, DHL eCommerce Singapore Pte. Ltd., Singapore, Deutsche Post IT Services, GMBH, the India Steering Committee comprising of the Senior Management Team from each group company made significant progress in the past year to maximise synergies amongst business units with a focus on improving infrastructure, service quality and cost efficiencies, thereby improving customer experience.

OUTLOOK FOR THE FUTURE

Prior to COVID-19 outbreak, global economic activity data remained soft but survey indicators had begun to stabilise or improve in both manufacturing and services. Indian economy had begun to regain momentum with clear signs of uptick in consumption and investment towards the end of Q3:2019-20, only to be halted by COVID-19 that made government enforce country-wide lockdown in late March 2020. Green shoots had appeared with Index of Industrial Production (IIP), Index of Core Industries (ICI) and merchandise exports rebounding with positive growth in February 2020 along with signs of revival in consumer sentiment.

Global growth has hit unprecedented depths of despair amidst COVID-19 with substantial risks of even more severe outcomes. IMF's World Economic Outlook of April, 2020 projects global output in 2020 to contract by 3 per cent with output of advanced countries contracting more than emerging market and developing economies. As per RBI, the GDP growth in 2020-21 is expected to remain in the negative territory with some pick up in second half. Extensions in lockdown and social distancing restrictions on account of the pandemic are expected to significantly impact economic activity in all major markets, and cause demand compression.

Interstate lockdown has adversely impacted supply chains of several sectors and restrictions on Airfreight also reduced movement of critical components. These restrictions have also limited transactions in the growth oriented e-commerce sector. Post lockdown, we expect a change in consumer behavior towards e-commerce (including groceries) and digital payments. We believe this presents an opportunity for us and we are confident of our ability to deliver.

Since the onset of this global pandemic, your Company has been working round the clock, continually adapting and adjusting its operations to align with the new developments, regulatory requirements and constant changes in capacity and demand. During these difficult times, your Company is

DIRECTORS' REPORT

aligning itself to evolving priorities, finding newer ways to create value and this has reinforced customers' confidence in your Company and many of them have expressed their appreciation and gratitude.

Your Company will continue its focus on product innovations and service enhancement. Your company is geared to face challenges for the years to come. Your Directors look forward to improved performance in the coming years.

As trade facilitators for the Country, we are excited about the "VOCAL FOR LOCAL" program pronounced by the Government of India and are aligned to step up and support the re-energizing of MSME businesses.

HR carried out the ESS communication campaign, focusing more on structured interaction between SMTs and employees prior to the launch of ESS in 2019. The ESS for the year 2019 was conducted with 99.18% employees participating in the survey.

The mean satisfaction score for the year is 94.8%. 'Pride in Working for Blue Dart' has a high score of 96.4%. Employee engagement has also emerged as one of the highest scoring items with a score of 94.8% in addition to active leadership with a score of 95.2%. Amongst the dimension wise scores, customer orientation is the highest scoring dimension with a mean satisfaction score of 95.8%. This high engagement score has become possible due to active leadership of senior management team members / managers/ Supervisors through regular interactions, action plan on areas of concern and focusing on them with proper communication and feedback sessions. The ESS scores are an affirmation of our 'People First Philosophy'.

NOTE:

Oasis India was founded in 1994 as the second member of the Oasis Global family which shares a common vision, mission and outcomes. Our work around the world reflects a common ethos of equality, inclusion, excellence, transparency and innovation. Over the years, several projects based around communities have been run offering inclusive and holistic solutions to people bound by various situations of abuse and vulnerability through education, training, health care, psycho-social care, micro-finance initiatives and residential rehabilitation.

Noida Deaf Society was setup in 2005 as a not-for-profit society by Ruma Roka with an intention of enabling a positive change in the lives of Deaf children and youth. NDS focuses on providing quality education and job oriented vocational training to the deaf which enables them to become productive members of society. From humble beginnings, today NDS has been able to reach out to over 4500 deaf children and youth from across the country. In spite of the limitations of space and infrastructure, they are able to positively impact over 1200 Deaf children and youth every year. NDS is the only organization in the country which has been able to mainstream Deaf youth through sustainable employment. Over 1000 youth are successfully working in some of the most leading companies across sectors ranging from Hospitality, Retail, Information Technology, Banking, Print and Publishing, Education, Textile and Manufacturing among others.

Hope Kolkata Foundation was established in February 1999 for the holistic and sustainable protection and development of children who are forced to live on the street, reside in slums and who face difficult circumstances, due to abject poverty. HOPE restores once broken childhoods through the delivery of Shelter, Nutrition, Education, Medical and Health care, Counselling, Awareness Generation, Life skill training and Recreational Activities to children as young as 5 years of age.

Teach To Lead was formally established in 2008. Teach To Lead is a not-for-profit organization whose mission is to create a movement of leaders who will work to eliminate educational inequity in the country. Teach For India, a project of Teach To Lead, is a nationwide movement of outstanding college graduates and young professionals who will commit two-years to teach fulltime in under resourced schools and who will become lifelong leaders working from within various sectors towards the pursuit of equity in education. Today, Teach For India is in 7 cities - Mumbai, Pune, Delhi, Hyderabad, Chennai, Ahmedabad and Bengaluru. They have a total of 910 Fellows and 660 Alumni working towards eliminating educational inequity.

Grow-Trees.com is a social enterprise which is dedicated purely for the planet, by encouraging individuals and corporates in inculcating the practice of growing trees in public land and dedicate the trees to greet or honour someone by means of an e-certificate with a

personalized message. Grow trees has plantation projects spread all across the country.

SOS Children's Villages of India has built families for children in need, to help them shape their own future and share in the development of their communities. Primary Target beneficiaries are children without parental care (orphaned and abandoned children) and disadvantaged children in vulnerable families at the risk of losing adequate parental care. The villages are spread all across the geography of the country.

St. Jude India Childcare Centres: In major cities of India where low cost cancer treatment is available, children who need treatment for cancer come to hospitals along with their parents from distant towns and villages. The hospitals do not treat them as in patients during the long drawn out treatment and these needy families do not have a place to stay whenever the child is not admitted to hospital. At their centres spread across 5 cities in India, St Jude provides support to such families by providing them free of cost shelter, nutritional support, educational and recreational activities, transportation to and from the hospital, art based therapy, music therapy, yoga, counselling for the family and new skills for income generation.

HelpAge India is a leading registered national level NGO, established in 1978, with a mission "to work for the cause and care of disadvantaged aged persons and to improve their quality of life."

Department of Neurosurgery at **KEM Hospital** and Seth GS Medical College was founded in 1951 and since then has been led by stalwarts in the field of neurosurgery and is amongst the leading Neurosurgery Centre in the world. The department has a strong history and has been decorated by some of the most reputed and leading neurosurgeons of the country. The department is known for its major contributions to subject of neurosurgery. The patients treated here are not only from Maharashtra or Western India but from throughout the country. The department has been recognized as a "Centre for Excellence" and a "Teaching Centre" for neurosurgeons

of the world. The number and quality of operations done in the department has been amongst the foremost. Most importantly, the neurosurgical services are entirely free of cost for the patients. Needless to say that such medical services form the core of medical system in our country.

Vision Foundation of India is a non-profit, non-governmental organisation established in 1993, with the primary objective of reducing avoidable blindness in India. The beneficiaries are needy people from lower socio economical strata of the society especially from rural areas & urban slums. Currently the activities are going on in 18 states and two union territories of India. Since its inception till today it has benefitted 4,49,977 patients free of cost. Project called "Rashtriya Netra Yagna", commenced from 1st April 2015, aims at treating more than 1.1 million needy people from all over India requiring eye surgery and till date has surgically benefitted 3,60,528 patients across India. These beneficiaries are operated Free of Cost.

7. In case the Company has failed to spend the two percent of the average net profit of the last three financial three years or any part thereof, the company shall provide the reasons for not spending the amount in its Board Report.

PARTICULARS REGARDING CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND EXPENDITURE

Conservation of Energy

Under the GoGreen program, your company is committed to minimizing the impact of its business on the environment and contributes to Environmental protection worldwide.

The GoGreen program is an integral part of DPDHL Group's Strategy 2020. In 2008, your company introduced a measurable climate protection target. From now until 2050, the Group's mission will be to drive business towards zero emissions logistics by setting the standard for the future of the transport sector and doing its part to help the world community reach its goal of limiting global warming to less than two degrees Celsius.

Your company is aligned to 'Zero Emissions 2050', the new climate protection goal announced in 2017 which includes four interim goals that we want to achieve by 2025 as per the DPDHL Sustainable Strategy:

- On a global level, an increase of carbon efficiency by 50% as compared to the 2007 baseline.
- On a local level, operate 70% of first and last mile services with clean pick-up and delivery solutions, such as bicycles and electric vehicles.
- Also by 2025, more than 50% of sales to incorporate Green Solutions, making customers' supply chains greener.

Because the success of these sustainability measures depends to a large degree on employee commitment and expertise, the company will train 80% of its employees to become certified GoGreen specialists and actively involve them in the Group's environmental protection activities.

The Company has taken this approach because it views environmentally friendly and efficient logistics as an opportunity to create value – for the environment, as a company and for customers. Your company, has planted 1,11,000 trees in the year 2019.

The main focus of GoGreen is to avoid, reduce and, when necessary, give our customers the chance to offset, greenhouse gas emissions primarily CO₂). These emissions account for the logistics industry's largest negative impact on the environment.

The vehicles operated for the company are in compliance of all pollution control regulations. Your company ensures that all its vehicles go through periodic PUC and maintenance checks to maintain minimum pollution levels and that all vehicles are in order of the prescribed norms for optimal operations by the manufacturer in terms of fuel consumption and better vehicle through-put and better vehicle efficiency are maintained.

The company's 24x7 network control centre operating at the headquarters in Mumbai is a centralised command system to provide support to drivers when they are on the road.

GLOBAL ECONOMIC OVERVIEW

Following a broad-based upswing in cyclical growth that lasted nearly two years, the global economic expansion decelerated in the second half of 2018. Activity softened amidst an increase in trade tensions and tariff hikes between the United States and China, a decline in business confidence, a tightening of financial conditions, and higher policy uncertainty across many economies. These uncertainties weighed on consumer confidence and business sentiments. Against this global backdrop, a combination of country and sector specific factors further reduced momentum. After peaking at close to 4 percent in 2017, global growth remained strong, at 3.8 percent in the first half of 2018, but dropped to 3.2 percent in the second half of the year 2018¹ and further dropped to 2.9% during 2019¹. More recently, the COVID-19 pandemic is inflicting high and rising human costs worldwide, and the necessary protection measures are severely impacting economic activity. As a result of the pandemic, the global economy is projected to contract sharply by 3 percent in 2020, much worse than during the 2008–09 financial crisis¹. In a baseline scenario which assumes that the

pandemic fades in the second half of 2020 and containment efforts can be gradually unwound, the global economy is projected to grow by 5.8 percent in 2021 as economic activity normalizes, helped by policy support².

INDIAN ECONOMIC OVERVIEW

As per the RBI Monetary Policy Report of October 2019, Real GDP growth was expected to recover in H2:2019-20, facilitated by favourable base effects and transmission of past monetary policy actions. The measures announced by the government in August-September to boost growth – such as release of funds for recapitalisation of public sector banks, merger of public sector banks, reforms in the FDI regime, initiatives for exports and the real estate sector, reduction in the corporate income tax rate – and faster resolution of stressed assets could push growth above the baseline path.

As articulated in the Director’s report, the Indian economy had begun to regain momentum with clear signs of uptick in consumption and investment towards the end of Q3: 2019-20, only to be halted by COVID-19 which made the government enforce a country-wide lockdown in late March 2020. The economy is likely to contract sharply in Q1 FY 2020-21. Economic data paints a grim picture. The private sector PMI slumped in April to the lowest reading since current records began in December 2005, while industrial production plunged year-on-year in March at the fastest pace since at least April 2006. Exacerbating matters, Cyclone Amphan caused

severe damage to life and infrastructure in the north east in late May. Meanwhile, Prime Minister Narendra Modi announced on May 12, 2020 that the total fiscal and monetary policy stimulus now amounts to 10% of the GDP which is INR 20 lakh crore³.

As per RBI, the GDP growth in 2020-21 is expected to remain in the negative territory with some pick up in the second half. The economy will suffer in FY 2020-21 due to containment measures and weaker external demand. A major downside risk is a significant prolongation of the national lockdown. More positively, fiscal stimulus should support activity, as should flexible monetary policy, although the fiscal deficit will spike in tandem. Moody's had predicted 2.5% growth for India in FY 2021 in March 2020 and later on May 8, 2020 revised it to zero. The rating company expects a bounce back to 6.6% growth in FY 2022, assuming a gradual pick-up in economic activity and demand in the second half⁴.

GLOBAL LOGISTICS INDUSTRY

Logistics industry majors across the value chain are expected to prioritize operational efficiencies, with investments in technology adoption. Slowdown in world trade is expected to hit the air cargo market's volume growth and yield performance, as freight capacity growth is expected to outstrip demand due to weakened consumer confidence.

Post COVID-19, the global logistics market size is projected to grow from USD 2,734 billion in 2020 to USD 3,215 billion by 2021, at a Y-O-Y of 17.6%⁵. The major drivers of this market are increasing their focus on the continued supply of essential commodities, creation of a supply chain stabilization task force to fight COVID-19, as well as on the growing demand and distribution of personal protective equipment. The factors that restrain the market are labour shortage and a shortage of COVID-19 testing kits. The projection for 2021 is estimated to be down by over 10-15% as compared to the pre-COVID-19 estimation⁵.

FMCG and healthcare are among the major industries facing prominent logistics challenges. Most consumers are experiencing the fear of limited availability of fast-moving consumer goods as well as healthcare goods such as disinfectants. Most countries are experiencing supply pressure due to panic buying by consumers due to COVID-19 impact. As a result, FMCG companies are continuously tracking the current situation and are coming up with new strategies to ensure continued supply.

The agriculture sector has been exempted from the restrictions laid down by nations. This has ensured sufficient supplies of food and other daily needs products. E-groceries continue to meet the increasing demand for daily supplies required by consumers.

Roadways are relatively less affected by the COVID-19's impact on the logistics sector when compared with airways and waterways. Trucking is seen as a critical mode of transport amid the pandemic.

However, the primary concern faced by the road transport segment is driver shortage and ensuring the health and safety of the available drivers as well as their infrastructure. Being the preferred mode of transport for essential goods, road transport is relied upon heavily for the continued supply of food, medicine, and other essential products.

Asia Pacific is expected to have the largest market size for the logistics industry as the region has taken stringent and early measures to contain the pandemic outbreak. China has started to recover from the COVID-19 pandemic faster than any other country. Only some provinces of the entire country are in lockdown after the second wave of COVID-19. The World Health Organization has also appreciated India's control over the spread of the pandemic. This has allowed the logistics and supply chain companies to meet consumer demands during the pandemic situation.

LOGISTICS INDUSTRY IN INDIA

The logistics industry in India is highly fragmented with a large number of unorganized players. While there is a need for the highly fragmented Indian logistics market to get more organised, there is also a need to reduce logistics cost to 10 per cent by 2022 from about 14 per cent now. Only 10-15 per cent of the \$215-billion Indian logistics market is owned by organised players⁶.

Blue Dart operates in the express logistics industry which, caters to multiple sectors as well as individual customers by providing time definite services. Express delivery services are used for various products such as securitised documents, electronic products, automotive components, temperature controlled shipments, trade samples, lifesaving drugs, mobile phones, etc. The Indian logistics industry has been gaining traction in the last few years and plays a very important role in facilitating trade and thereby propelling the growth of the Indian economy. Several factors such as - improving infrastructure nationwide, opportunities in emerging markets and channel alliances, urbanisation, faster adoption of newer technologies and digitalization, increased consumer preference for the reduced delivery time, and deployment of innovative techniques for a fast delivery of products are all playing the role of a catalyst in fuelling the growth of the logistics industry in India. The logistics industry, considered to be the lifeline of the country, holds unprecedented importance as it connects various markets, suppliers and customers dotted across the country, and has now been firmly embedded as an integral part of the national GDP value chain.

The deeper penetration into Bharat (Tier II, III & IV towns), economy enhancing initiatives, GST implementation and other initiatives such as Make in India, Digital India and soon to be released National Logistics Policy, all hold a promise for an efficient and integrated logistics industry in the days ahead. Despite the enhancement in the logistics performance index from the 54th Rank in 2016 to the

MANAGEMENT DISCUSSION AND ANALYSIS

35th rank in 2018, India has substantial potential for improvement. The Indian logistics sector provides livelihood to more than 22 million people and improving the sector will facilitate 10 % decrease in indirect logistics cost leading to the growth of 5 to 8% in exports⁷. The growth in logistics sector is expected to be driven by increasing penetration of products into more cities and towns, as well as the growth of economic activity and manufacturing moving to these towns. In addition, the demand for value-added services from consumers provides opportunities for the industry players to elevate themselves from an operational role to a more strategic one. The logistics industry is highly fragmented and consists of over 1,000 active players which include large scale domestic players, leading entities of global players, the express arm of the government postal service and emerging start-ups specialising in e-commerce deliveries. Infrastructure readiness and technology are expected to be the key drivers of growth for the Indian logistics industry. However, a significant economic fallout due to the novel coronavirus will result in slowing down the growth across the country's highly fragmented and unorganised logistics landscape.

GOVERNMENT POLICY

Government policies and initiatives will play a major role in configuring our industry's roadmap and future growth. Despite its market size and the inherent opportunity to disrupt, the industry needs support from the policymakers to address challenges such as moving towards an organised market, cost reduction in logistics and affordable last-mile deliveries.

The Ministry of Commerce & Industry, estimates that presently the country spends about 14% of its GDP on logistics which is much higher than Japan (11%) and the USA (9-10%). During the Union Budget 2020-21, the Government of India announced that a National Logistics Policy will be released soon clarifying the roles of the Union Government, State Governments and key regulators. Policy also talks about reduction in the logistics cost to less than 10% of GDP by 2022⁸.

With the implementation of GST, the Indian logistics market is expected to reach about USD 215 billion in 2020, growing at a CAGR of 10.5 per cent. Realising the importance of the sector and to address the inefficiencies, the government has included the sector in the Harmonised Master List of Infrastructure Subsector⁹.

The National Logistics Policy endeavours to drive economic growth and business competitiveness in the country through an integrated, seamless, efficient, reliable, green, sustainable and cost-effective logistics network leveraging the best in class technology, processes and skilled manpower.

The outline of all three – National Logistics Policy, National e-Commerce Policy and National Air Cargo Policy are aimed at creating a framework to achieve holistic growth of the integrated

logistics industry. Inclusive growth of the industry will be an important catalyst for the further accelerating the growth of trade and commerce in the country.

A mechanism needs to be created to measure the industry's performance at regular intervals against set benchmarks and generate a favourable policy environment to ensure that the industry plays its role as a trade facilitator and enabler of business optimally.

COVID-19 PANDEMIC

In this global health crisis, Blue Dart Express mobilized its 'Business Continuity and Contingency' Plan (BCCP), including pandemic operating plans and implemented strategic actions to ensure least disruption in its services for healthcare and pharmaceutical businesses in India. Blue Dart employees showed courage, determination and commitment to serve the country and its people by operating the life-line for the nation to ensure continuity of essential supply chain disrupted due to mobility suspension. Blue Dart's 6 Boeing 757-200 freighters carried tonnes of medical and essential supplies during the nation-wide lockdown, fulfilling its promise to keep the mission-critical supply chain running and helping the nation to fight the war against the global COVID-19 pandemic.

Blue Dart continued to offer unwavering support and was honoured to be a part of the Indian Government's 'Lifeline Udan' initiative to ensure uninterrupted supply chain continuity of medical equipment (ventilators & PPE), testing kits, reagents, enzymes, respirators, surgical masks and gloves among other vital supplies. The organisation worked closely with the Government of India and several other institutions, to ensure door-to-door deliveries across major Indian and International cities (Guangzhou, Shanghai, Dhaka, Hong Kong and Yangon) carrying essential medical and pharmaceutical supplies through its strong air and ground express network while keeping health and safety of customers, employees and community as paramount.

PERFORMANCE REVIEW

Over the last 36 years, Blue Dart has played a vital role in shaping the express logistics industry in India. The company has led, evolved and innovated its services to work towards customer delight. However, the period under review has been challenging in terms of market conditions and business sentiments due to a dynamic regulatory scenario & the outbreak of the COVID-19 pandemic globally.

Blue Dart with its dedicated freighters in the air and 86 network route connections on the ground has the unique capability to offer an unrivalled service across an expansive and diverse Indian geography. During the year, Blue Dart carried over 2,403.98 lakhs domestic shipments and over 8.44 lakhs international shipments both weighing more than 769,490 tonnes.

 - One time exceptional hit of ₹ 6411 lakhs for rightsizing/restructuring
 - Implementation of IND AS 116 effective from April 1, 2019 having adverse impact of ₹ 6,662 lakhs
 - Business disruption due to COVID 19 pandemic situation impacted the Bottom line by ₹ 5,420 lakhs
2. Substantial reduction in Cash & bank positions mainly on account of Redemption of Non - Convertible Debenture Series III amounting to ₹ 7,118 Lakhs, Capital expenditure of ₹ 5,576 Lakhs, Dividend payment of ₹ 3,576 Lakhs

COMPANY OVERVIEW

Blue Dart was earlier a part of the DHL eCommerce Post – eCommerce – Parcel (PeP) division. Since 1st January 2019, the Deutsche Post DHL Group restructured its business to create a new eCommerce Solutions division, pooling in their international parcel delivery operations under the vertical. Blue Dart is now part of the group's newly created division known as DHL eCommerce Solutions. The new division is geared towards providing high-quality solutions, particularly to customers in the rapidly growing e-commerce industry.

Our goal is to leverage our group footprint, resources and services to build a platform to provide the best national network, with a strong focus on the expected delivery date and time critical solutions that can ride on the most cost-efficient network for last-mile deliveries.

The focus in creating the platform is to generate profitable growth across all sectors and customer segments. Our USPs are high-quality delivery solutions, reach and unmatched speed.

Blue Dart offers air and ground express, air freight, speed trucking and charters through its synergies with the Deutsche Post DHL business units – DHL Express, DHL Global Forwarding, DHL Supply Chain and DHL eCommerce LLP and the newly created DHL Smartrucking. Our global network through DHL Express spans more than 220 countries and territories, making Blue Dart the only express company that offers an unmatched delivery capability encompassing the entire spectrum of distribution services wherein lies its unique proposition.

Blue Dart offers a wide range of innovative and simplified solutions across industry verticals coupled with a dedicated air and ground network, high standard technology architecture, value pricing, customer satisfaction, excellent service quality and operations delivery par excellence. Since its inception, Blue Dart has maintained its technology leadership and continues to invest extensively in its technology infrastructure to create differentiated delivery capabilities, products and solutions for customers. Our key differentiators continue to be late pick-up/early delivery, a securitised network, 24x7 visibility allowing for tracking across the complete delivery chain, APIs integrated with customer requirements and other technology, and mobility solutions such as dynamic re-routing, visibility of courier movement as well as providing access to monitor net-stops from the service centre to enhance courier and route productivity.

Blue Dart operates with its very own fleet of six Boeing 757-200 freighter aircrafts offering a payload of 500+ tonnes per night, a flotilla of 22,336 vehicles as well as 2173 facilities and hubs across 35,000+ locations. Over 12,000 committed and trained Blue Darters work in perfect harmony to deliver over 16 shipments every second of the workday and provide best-in-class services to thousands of customers annually.

MANAGEMENT DISCUSSION AND ANALYSIS

Definite Delivery service. For example, our Temperature Controlled Logistics (TCL) product, tailored specifically for customers in the Life Sciences & Healthcare sector, offers various types of thermal packaging for temperature-controlled and ambient movement. Likewise, for other industry requirements we offer Dart Plus, Dart Surfaceline Plus (DSP), Point to Point (P2P) and a host of value-added services like Demand Draft on Delivery (DOD), Freight on Delivery (FOD), Freight on Value (FOV) and Cash on Delivery (COD).

Critical Express caters to an essential domestic need for the safe movement of passports, tenders and other securitised items. Packaging Solutions include Express Pallet (Air and Ground) and Smart Box (Air and Ground). The company also offers cargo solutions like an airport to airport, interline and charters, besides offering festive and student services like Rakhi Express, Student Express among several others.

The company also has 'Interline' agreements with various international airlines and also offers bonded warehousing and transshipment facilities. 'Charters' offer palletised capacity for carriage of urgent and large volumes to multiple airports in India and cross border.

Initiatives such as 'On-The-Move' (OTM) handheld devices, Retail Point of Sale (POS), Reverse Logistics (Open and Close), offering over 15 Digital Wallets on Courier Handhelds, Call Bridge facility to create a personalised customer experience have all been appreciated as industry-leading solutions and benchmarks.

The Company's global presence is enabled through the DHL Document Express (DOX), DHL Worldwide Package Express (WPX) and a wide range of packaging solutions. DHL Import Express is a unique single window importing service that takes care of all importing needs by offering door-to-door convenience services. X-Border International Services is another unique and strong service offering. Duties & Taxes Paid (DTP), Express Pallet, Shipper Interest Insurance (SII) and Express Easy-Student are some of the other offerings.

CAPABILITY BUILDING

Blue Dart Express Ltd., a pioneer in the air express service in India saw huge potential in the industry and made a path-breaking decision to create infrastructure and operate its own aircraft. To lead the air express service, Blue Dart Aviation Ltd. (BDA) was incorporated in May 1994. The company launched the first domestic freighter operations in India with a fleet of two Boeing 737-200 freighters in 1996 and currently operates a total of six Boeing 757-200 freighters.

Blue Dart Aviation Ltd. (BDA), a 100% subsidiary of Blue Dart Express Limited launched an advanced state-of-the-art hub-and-spoke facility at Mumbai International Airport Limited (MIAL)

in 2019-20. Blue Dart Aviation's MIAL hub provides long-term, dedicated infrastructure for accelerating processes and throughput of large volumes of express shipments from its fleet of aircraft, with enhanced city side access, to expedite vehicle movement and shipment deliveries while providing excellent quality assurance for the customer.

Located at Mumbai's domestic airport terminal, the facility spans an impressive 47,300 sq. ft. spread across 5 floors. It adds additional space to the existing 18,900 sq. ft. the offsite facility at Mumbai. The combined facilities in Mumbai can handle 62,500 tons of air freight annually, strengthening Blue Dart's goal of being India's leading logistic service provider. The new air cargo hub enables Blue Dart to expand its capabilities by handling freighter cargo operations and has motorised material conveying system with the addition of ball mat units that facilitate efficient handling of Unit Load Devices (ULDs). The company is equipped to handle specialized products like temperature-controlled pharmaceutical products, IATA regulated dangerous goods and valuable cargo handling. Modern security cargo scanners offer both horizontal and vertical views of cargo to enhance detection. The facility has the capability of processing cargo within minutes upon arrival depending on the type of cargo.

BDA houses seven of its hubs in all the major metropolitan cities of India – Chennai, Bengaluru, Hyderabad, Mumbai, Ahmedabad, Delhi and Kolkata. BDA has its own ground handling, security and engineering capability and carries out its own heavy airframe maintenance with its professional and qualified manpower.

Key highlights showcasing the improved productivity and time efficiency with the launch of a new facility:

FEATURES	IMPACT
The close proximity between the facility and domestic airport terminal provides a faster turnaround time with minimum ground time for the four B757 aircraft transiting out of Mumbai (BOM) six nights a week	Time taken to reach the Common User Terminal reduced to just 5 minutes
Advanced fleet network timings to the service centres have culminated in increased efficiency of our people at the front line and added value to our customers	The new facility helps in optimising the load dispatch time to within minutes
State-of-the-art automation in the operations area to ensure effortless in and out the movement of Unit Load Devices (ULDs) from the facility	Newly introduced design feature to ensure ease of use in moving ULDs

MANAGEMENT DISCUSSION AND ANALYSIS

FEATURES	IMPACT
Increased number of docking bays for seamless movement of larger multi axel trucks to expand incoming and outgoing cargo loads leading to increased efficiency	The new facility has doubled its capacity to dock multi axel trucks simultaneously
Vehicle movement optimised with immediate connectivity to the western express highway from the facility	Transit time reduced to half of the original time taken.
Space optimisation by moving express service operations vertically on the 1st floor of the facility for better utilisation of the facility	Vertical cargo operations help in releasing the space which was earlier occupied by excess cargo in the facility thereby restraining operations movement on the same floor

Blue Dart's advanced facilities and innovative solutions make it an undisputed leader in the express air, integrated transportation & distribution industry in India.

CUSTOMER CENTRICITY

As a national network operator and part of the global DPDHL Group, we work with standardized processes and continue to optimize our offerings which enables us to deliver quality services to our customers. We, therefore, keep ourselves updated on our customers' evolving requirements through our 'Key Account Management Program' and the 'First Choice Program'. The Net Promoter Approach also identifies improvement areas highlighted by customers. Our managers ensure they interact with our customers individually to translate customer challenges into continuous improvements areas. These programs are tailored to ensure that voice of the customer is paramount and their feedback is acted upon to deliver delight consistently in a process-driven manner.

For us, customer satisfaction is the most important indicator of success in the sectors & geographies we operate in. In 2019-20, we succeeded in significantly increasing delivery reliability in most cities in which we operate. We were not only able to provide and further boost the quality levels we promised our major customers but also improved our customer satisfaction.

We are certain that, even in a challenging economic environment, our high level of delivery reliability will continue to provide excellent opportunities for growth in the future.

Despite challenging geographical features and a difficult infrastructure landscape, we were able to consistently improve delivery reliability in the country. We consistently work to maintain our value-driven quality and achieve outstanding customer satisfaction ratings. It is in this manner; we are fulfilling our aspiration of being the quality leader in India.

As we serve diverse industries such as e-commerce, Automotive, Banking, Financial Services, Electronics etc. and build loyalty, the successful customer loyalty program 'Blue Points Amazing Returns' will be further strengthened to enable, nurture, grow, build and sustain strong revenue streams and profit pools.

DIGITALISATION AS A KEY LEVER

We see systematic digitalisation throughout the company as a key lever in driving the business forward. The reason we are investing in initiatives designed to enhance both the customer experience as well as employee experience & improve operational excellence. We are modernising our IT systems and integrating new technologies to improve our performance, our processes and our standards.

Highlighted below are some of the key technology-enabled solutions rolled out during the reported period: –

- Continued Focus on enabling digitalised On-Field data capture of Delivery and pickup of shipments covering 93% of delivery and 44% of pickup as at March, 2020.
- Application programming interface (API) based solutions for our customers have been enhanced for exchanging manifest at detailed levels to ensure an automated and seamless supply chain, from pre-pick up till post-delivery; inclusive of collections.
- Blue Dart's website has been revamped to engage with customers for additional touchpoints like exception handling with alternate instructions, dashboards for greater visibility on performance & visibility to billing information.
- Technology-enabled mobility solutions for administering specialised pickups of product returns, which also include quality control checks, product image verification and close coordination for timely pickups.
- Customised solutions built for some of our top customers to manage Tamperproof Packaging checking and secure delivery to the specific recipient with OTP confirmation. Such initiatives prevent errors and bring great value to our service quality offerings.
- An indigenous network modelling system has been developed and implemented which has enabled Blue Dart to dynamically respond to changes in network schedules and recommend fast and reliable network routes linking shipment origins with destinations.

MANAGEMENT DISCUSSION AND ANALYSIS

- Big Data setup has helped in getting advanced analytics on various segments of Blue Dart's operational process, Customer insights, and trends on volume/revenue from different geographies.
- Product Performance dashboard delivers daily insights on volume and revenue for analysis and action.
- eNSG App for Operations has introduced a green approach in the field. With the implementation of the application, the printing of NSG copies has stopped, saving printing and dispatch costs whilst reducing our carbon emission. The information on the eNSG App is updated to display real-time information therefore, updates if any, can be flashed early.
- A personalised tracking tool for recipient shipments has been enabled on a unique URL link, which allows tracking, plotting delivery landmarks, visual display of the courier on map and provision to give NPA feedback on the service and digitally acknowledge receipt of the shipment.
- Control Tower built for proactive monitoring of shipment movement within the network. Teams operate using this solution can control nationwide activity which involves First Mile, Network connection and Last mile delivery.
- Video conferencing and recording in administrative offices have been upgraded with interactive High Definition display, wireless presentation streaming from any device to promote virtual meetings and seamless day-to-day functioning.
- Hardware Infrastructure of ERP systems upgraded at datacentre & Discovery Resource site to cater to our capacity for the next three years.
- Active network link configured for our branches, resulting in optimum usage of network bandwidth.
- Upgrade & Redundancy built for secure access to employees outside of the office network, into Blue Dart's internal digital resources using Two Factor Authentication.
- Secure WFH solution deployed during CoVID19 period for business continuity in adherence to Govt guidelines.

OPPORTUNITIES AND FUTURE OUTLOOK

Opportunities

The express industry is a key enabler in facilitating trade and commerce because of the time sensitive nature of most goods and the demand for reliability, efficiency and speed. The opportunities are immense for the express logistics industry in India as the current logistics spend is at 14% of the GDP compared to a notably lesser single (digit) percentage in developed economies. The need for the highest level of efficiency still exists.

Air express remains the preferred option for those looking for reliability, speed and security. This augurs well for our business model. Ground express too offers huge opportunities due to increasing consumption and affluence spreading into tier II and tier III towns which are emerging as important factors for a growing economy. They are currently in a rapid growth mode and provide for a wider catchment for manufacturers presenting interesting opportunities.

Blue Dart is committed to retaining its position as a premium player through focused customer acquisition and enhancement of customer loyalty while continuing to expand to new markets. The strategy revolves around sector focus, emerging markets and MSMEs.

Future Outlook

Rating agency Moody's has slashed its 2020-21 GDP growth projections for India to zero from the earlier 5.2% and before that a 6.5% forecast on the back of slower recovery, citing largely domestic factors and cautioning that the global & domestic economy will be adversely impacted by the novel coronavirus (Covid-19) outbreak.

Unfortunately, for India's corporate sector, the coronavirus outbreak has damaged some of its most indebted businesses. Almost 14% of India's imports come from China, making it the nation's biggest import partner. India is heavily dependent on Chinese imports such as Electronic, Components and Pharmaceuticals. India procures almost 70% of its active ingredients for medicines from China and has only a few month's supply of inventory, making us particularly vulnerable to further disruptions.

RISKS AND CONCERNS

Air Express

Banking and Financial Services are a major contributor to the movement of documents across the country and since the advent of digitisation propelled by demonetisation, there are shifting patterns in their usage of air express. More paper is being sent electronically, however, debit and credit card movement post demonetisation has increased. The continued lockdown has further accelerated the pace of digitalization which may have some impact on movement of documents.

In sectors such as Automotive, Engineering, Electronics and Electricals, Pharmaceuticals, Medical Equipment etc. major customers of Blue Dart's air package service (Apex) are shifting heavier shipments to the ground as cost pressures across industries push them to focus on cheaper modes of express transport.

With more belly space being made available in passenger aircrafts in the coming years, more capacity will be added to the air express market further putting pressure on yields and profitability. Faster and agile speed trucking with growing competition also chips at the air express business.

MANAGEMENT DISCUSSION AND ANALYSIS

Furthermore, the cost of operating at major airports has significantly increased after their privatisation without any improvement in services or differentiators. The problem of insufficient aircraft parking bays, truck docking stations, limited space for express terminals and clearance processes leading to a delay impacting operating costs persists.

Ground Express

There is a certain boost for the growth prospects of ground express with the improving infrastructure and other regulatory measures; there is a shift in the need for efficiency within the ground express service and this augurs well for it.

Industries such as Life Science, Healthcare, Computer, IT, Automotive are shifting air shipments to the ground due to a cost advantage and availability of better alternatives. The e-commerce industry too with their mounting losses have enhanced cost rationalisation measures in their logistics spend and are opting for ground express.

Despite the government's efforts in improving the road infrastructure, the average speed of a truck on Indian roads is still 30-40 km per hour as compared to 80+ km per hour in developed economies. With increasing urbanisation and the need to use smaller vehicles further impacting operating cost, the yield in business is always strained.

COMPETITION

Heavily funded third party logistics players in the highly price-sensitive e-commerce logistics space focused on increasing shipment volumes at the same time incurring heavy losses. These players have been working with competitive pricing which has impacted Blue Dart's revenues with pressure on margins. E-commerce players continued to increase the share of their captive arms thus reducing the addressable market further for traditional companies like Blue Dart. Dedicated express service providers, as well as captive players, are focusing on winning non-e-commerce customers as an expansion strategy and to reduce dependency on the e-commerce industry.

The surface express market benefitted with the implementation of GST. Improving the quality of roads and removal of check posts has led to a faster turnaround time. This has positively impacted players in this space. The Company's surface express business also witnessed momentum but the modal shift from Air to Surface has impacted the company's revenue growth. The Air and Surface express competitive landscape has become volatile with new challengers entering the market and filling demand gaps thus cluttering the segments leading to a lot of disruption. New models in premium road transportation have emerged with the backing of investors making the surface express market environment dynamic and competitive. Passenger airlines have entered the logistics

space by offering door-to-door service thus posing as a direct threat to the Company's air business. The local competition in Tier II and Tier III cities has also been aggressive.

ECONOMIC FACTORS

The Express Industry is affected by economic factors like macroeconomic growth, inflation, crude oil prices, and foreign exchange rate fluctuations. The growth of the industry is largely based on the general economic situation in the country and an upswing in economic activity would lead to an increase in domestic and international trade, creating incremental demand for the express industry.

AVAILABILITY OF TRAINED MAN POWER

Due to the extended lockdown and restriction on movement of people, scarcity of trained workers is one of the major challenges being faced by the logistics industry in the near future.

CYBER RISK

Logistics, like most facets of operating a business, involves transferring sensitive information electronically. This is definitely beneficial to any supply chain as it simplifies and speeds up communication. However, it also makes the sensitive information susceptible to cybercrime.

Supply chains are part of a complex global system where data and information are shared through cyberspace. The interconnectedness of the logistics industry is an attractive target for cyber-attacks. The more links in a supply chain, the more vulnerable it becomes, which augments the importance of secure handling and storage of data.

The effects of cyber-attacks on the supply chain can be detrimental to all parties involved. With Companies focusing on digitisation, cyber risk is here to stay.

INTERNAL CONTROLS AND ITS ADEQUACY

Across industries, internal process control and systems play a critical role in the health of a company. An effective system of internal controls forms a keystone necessary for building, maintaining and improving shareholders' value and helps to enhance the overall quality of the business and enterprise. Blue Dart remains committed to ensuring an effective internal control environment that provides assurance on the efficiency of operations and the security of assets. Blue Dart has a sound internal control system to ensure that all assets are protected against loss from unauthorised use. All transactions are recorded and reported correctly. The company's internal control system is further supplemented by internal audits carried out by the internal audit team along with co-sourced audit firm, KPMG. Well-established and robust internal audit processes, both at business and corporate levels, continuously monitor the adequacy and effectiveness of the internal control environment

MANAGEMENT DISCUSSION AND ANALYSIS

across the company and the status of compliance with operating systems, internal policies and regulatory requirements.

Blue Dart has maintained adequate and effective internal financial controls based on internal control over financial reporting criteria established by the company. This takes into account the essential components of internal control stated in the Guidance Note on 'Audit of Internal Financial Controls over Financial Reporting' issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, safeguarding its assets, prevention and detection of frauds and errors, accuracy and comprehensiveness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

The Audit Committee of the Board, works closely with both the Internal Auditors and Statutory Auditors ensuring that all their queries are addressed. The company also conducts Risk Assessment Workshops annually to define and identify what the company's most significant risks are and how those risks can be mitigated. The members of the Leadership team actively participate and deliberate in the risk workshops.

SUSTAINABILITY

Our assurance to shared value

Blue Dart Express Limited, with its legacy of over three decades of conscientious corporate Citizenship, focuses on positive growth and development in the social, environmental and economic aspects of people's lives since its inception. The company believes that while continuing to generate wealth for its shareholders, it is not only important to create value for them, but also to share it equitably with them. Our Board of Directors, our Management and all of our employees subscribe to the philosophy of compassionate care.

Sustainability (or Corporate Responsibility) has been an integral part of our parent company Deutsche Post DHL's (DPDHL) strategy emphasizing the brand's commitment to being responsible and working with communities across the globe. Logistics plays a central role in the global economy and therefore the industry can play a crucial part in the way business is done while having a significant impact on the environment. Owing to this, DPDHL Group has embarked on a journey to achieve Zero Emissions by 2050 and be the industry benchmark for responsible business practices. As part of DPDHL group, we are committed to contributing to our group's mission of "50% carbon efficiency by the year 2025."

At Blue Dart, to further strengthen our Sustainability programs, we integrated our initiatives under DPDHL's credo of "**Connecting People, Improving Lives**". Under this, Blue Dart (along with the

DPDHL group) focuses its corporate responsibility under the three pillars of **GoGreen** to protect the environment, **GoHelp** through disaster management initiatives and **GoTeach** by championing educational programs. We work closely with our project partners, stakeholders, beneficiaries and local communities to facilitate social, economic and environmental progress through effective management of human and natural capital. Our programs are supported and complemented by regional community initiatives, which demonstrate the voluntary commitment, special abilities and enthusiasm of employees from across the Blue Dart family.

We conduct our business in accordance with the applicable laws, ethical principles, ecological standards, and international guidelines. Through ongoing dialogue with our stakeholders, we ensure that their expectations with regards to social and environmental issues are accounted for appropriately and that our business is aligned systematically with those interests.

We utilize our expertise to make our logistics greener and more sustainable while continuing to find ways to eradicate waste and retain more value in our products. Our initiatives to increase CO2 efficiency and our environmentally friendly product range enable us to uphold our responsibility for the environment whilst strengthening our own market position. Blue Dart, along with DPDHL Group offers India's first end-to-end GoGreen Carbon Neutral Service (CNS) across international and domestic markets. In the year under review, Blue Dart continued to offer the specialized Carbon Neutral Service, wherein customers are provided with an environmentally responsible shipping option to neutralize the carbon emissions produced by the transportation of their shipments. DPDHL Group had set a target of 30% efficiency improvement over the base of 2008 by 2020 for all its group companies; Blue Dart led the challenge by achieving an efficiency improvement of 31% in 2019-20.

Additionally, Blue Dart launched the **Blue Greens** program which focuses on green initiatives for the company. Blue Dart partnered with Grow-Trees.com and planted 444,000 trees till date which will offset 88,80,000 kilograms of carbon per year on maturity.

Under **GoTeach**, Blue Dart focussed on further strengthening its programs Blue Edge and Blue Teach, designed to provide equal educational opportunities for the underprivileged and marginalized communities. '**Blue Edge: Empowering Lives**' is aimed at elevating and transforming the lives of young adults from difficult environments, who have not been able to complete their education. **Blue Teach** aims to reach out to beneficiaries, touching their lives right from their childhood. The program is built to elevate the lives of children from different strata of society, making them independent and sustainable in their adulthood.

Under **GoHelp**, Blue Dart has designed two programs - **Blue Homes** and Blue Help. Blue Homes provides shelter to orphans

and children affected with critical illness in association with SOS Children's Villages of India and St. Jude India ChildCare Centres. In association with HelpAge India, UHRC, Vision Foundation of India and KEM hospital, **Blue Help** aims to impact the lives of disadvantaged senior citizens and provide health care for the underprivileged.

HUMAN RESOURCES

2019-20 was a challenging year for the Company in several aspects. Blue Dart remains one of India's best places to work with an exceptionally talented workforce. The company is focused on business growth aligned with DPDHL's Strategy 2025 of "Delivering Excellence in a Digital World".

To become a market competitive company, we critically looked at cost efficiency and productivity. The company therefore, undertook the organizational rightsizing exercise in 2019-20.

EMPLOYEE MORALE, MOTIVATION & ENGAGEMENT

The year 2019-20 saw employee participation of 99.18% in the annual Employee Satisfaction Survey (ESS). Amongst the dimension-wise scores, 'Pride in working for Blue Dart' is the highest scoring item with a mean satisfaction score of 96.4%. The mean score of Employee Engagement stands at 94.8% in 2019-20. In active leadership, the score stands at 95.2% in 2019-20, as against 95.4% score in FY 2018-19. Employee activities like festival celebrations, health-related workshops, medical camps among others helped in increasing employee bonding and engagement. The key talent retention in 2019-20 was 87.1%.

PERFORMANCE MANAGEMENT

The performance management system in Blue Dart is managed through the online HRIS platform, PRIDE. During the current year, PRIDE was retired and instead, DPDHL is rolling out the Global HR system, called CHRIS. The new performance management system has introduced certain new features over and above all the features that existed in PRIDE.

As part of the Blue Dart way, our People-First Philosophy is to, "Drive a meritocratic and development-oriented people management culture within the organisation". We firmly believe in recognizing and appreciating individual efforts, contribution and performance while rewarding them to ensure their growth and development. To develop the competency aspect of our employees, various training programs have been incorporated to strengthen the development culture.

EMPLOYEE DEVELOPMENT

Our goals are best achieved when motivated and well-trained employees provide quality service that always fulfils our customers' expectations. Our Certified programmes are tailored for seamless

& easy implementation. Common values of Passion, Can Do, Right First Time & As One and a clear focus on quality are the foundational tools necessary for all Blue Darters to deliver customer-centricity par excellence. We have begun introducing the 'Certified Programmes' and will roll-out the same in a phased manner across the country. In 2019-20, the company on an average invested in 3741 man-days in training Blue Darters with relevant training and development programs aligned to both organisational as well as individual learning needs.

Standardization of Operations & Sales training:

As a new initiative to introduce a consistent method in training employees on Sales & Operations, a standardization and uniform training proposition was rolled out across the organization. This is also made available online with the provision of mobility going forward. Your Company is also making available an app-based assessment engine for Supervisors to assess functional & behavioural attributes.

Leadership in a box (LIAB):

The DPDHL group initiated leadership training has been rolled out at Blue Dart. This training aims at providing understanding and awareness around new leadership attributes which will be a part of leadership competencies, the effective year 2020-21. The six attributes are under Head, Heart and Guts leadership elements (Being results-oriented, Leveraging strengths, Providing purpose, Having & creating trust, Focusing on clear priorities, Being positive about challenges, uncertainty and change). 330 leaders underwent the training in 2019-20.

Certified eCommerce Specialist (CeS):

This program is aimed at strengthening the Blue Dart Way & communicating the same to each Blue Darter via the Certified eCommerce Specialist training program. We have done the initial preparatory work and embarked on the CeS training journey to cover all Blue Darters from FY 2020-21 onwards. This again is a DPDHL group led programme, providing the foundational information and knowledge about DHL and Blue Dart's eCommerce businesses.

Executive development review (EDR):

A complete revamp of a potential review process has been done. The new process of EDR has been shaped to fall in line with the DPDHL process which aims at continuous development, growth and succession planning. The EDR process is conducted for Business Critical Positions for validating their performance, potential and identification of strengths and particularly developmental needs. We have covered key employees under this exercise. This process results in the formulation of the Individual Development Plan (IDP) for training needs and developmental inputs.

MANAGEMENT DISCUSSION AND ANALYSIS

Compliance training:

Compliance strengthens a business' 'license to operate' and is the foundation of an entrepreneurial business practice that encourages compliance-driven behaviour. 1443 employees have undergone the Compliance training in 2019-20.

Building leadership pipeline:

We have incorporated the Management Trainee (MT) scheme at Blue Dart since 2012. This enables us to take in fresh talent from the management institutions and build a leadership pipeline. In 2019-20, we onboarded new management trainees and another set of MTs will be onboarded in July 2020.

EMPLOYEE REWARD & RECOGNITION

In order to motivate employees and recognize their outstanding work, 841 Blue Darters were awarded the on-the-spot Bravo award by individual managers for excellent work and 8 received the prestigious Super Darter award for achievements beyond the call of duty. In 2019-20, 13 Employee of the Year awardees along with 20 nominees from across the country were felicitated by the Managing Director, 966 Blue Darters joined the True Blue Club on completion of 5 years of service.

OTHER PROGRAMS

Upstairs

A GoTeach initiative by Blue Dart that promotes equal education opportunity and offers a Scholarship program for Blue Darter's children, who receive financial assistance for their education and mentoring support.

Subsidized Tuition Education Plan (STEP)

This developmental policy enables employees to acquire higher qualification skills to enhance career prospects/ personal

development/ improve effectiveness on the current assignment. This is a developmental initiative by Blue Dart.

Blue Dart's Reimbursement of Accident Claims & Expenses (BRACE)

This is a wellness initiative which aims at providing timely relief including reimbursement of medical expenses.

Death Benevolent Fund (DBF)

This is an employee welfare initiative at Blue Dart where the immediate family of a deceased Blue Dart employee receives monetary help from employees, as payroll giving.

Appreciation Week

During the Appreciation Week celebration, employees express their gratitude by exchanging 'Thank You' postcards with each other. In 2019-20, this celebration was extended to the families of our employees who also received a personalised 'Thank You' note signed by the Managing Director for extending their support. Employees were also given a Blue Dart lapel pin and encouraged to wear it with pride, even after the appreciation week celebrations came to an end.

CAUTIONARY STATEMENT

The statement forming part of this Report may contain certain forward looking remarks with the meaning of applicable Securities Law and Regulations. Many factors could cause the actual results, performances, or achievements of the company to be materially different from any future results, performances, or achievements. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Blue Dart Express Limited ("the Company") which comprise the Balance Sheet as at March 31 2020, the Statement of Profit and Loss including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to the standalone Ind AS financial statements including a summary of significant accounting policies and other explanatory information .

In our opinion and to the best of our information and according to the explanations given to us ,the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its losses including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to this matter. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matter below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matter	How our audit addressed the key audit matter
<u>Revenue recognition</u>	
<p>The Company enters into contracts with customers for the provision of services. Revenue from these contracts is recognized in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers (as described in notes 3 (e) of the stand-alone Ind AS financial statements).</p> <p>As at the year end, for all incomplete contracts, revenue is recognized for the completed performance obligation which are part of incomplete contract based on the stage of completion and transaction price allocated to the specific completed performance obligation.</p> <p>The process of identifying the stage of completion and allocation of transaction price to the specific performance obligation as at the balance sheet date is complex and dependent on management's estimates and relevant internal controls including IT controls in certain operational systems.</p>	<p>Our audit procedures included assessing the Company's revenue recognition accounting policies in accordance with Ind AS 115, Revenue from Contracts with Customers.</p> <p>We obtained an understanding of management's internal controls over the revenue process and evaluated whether these have been designed in line with the Company's accounting policies. We tested relevant internal controls, including IT controls over revenue process. We assessed the management's evaluation process to recognize revenue over a period of time, ascertain stage of completion and allocation of transaction price to the specific performance obligation.</p> <p>We performed test of details for the selected sample of revenue transactions during the year and traced these to underlying supporting documentation / evidence.</p>

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

Key audit matters	How our audit addressed the key audit matter
Revenue recognition	
Considering complexity and volume, there is a risk that revenue recognized for completed performance obligations which are part of incomplete contracts as at the balance sheet date may not be appropriate.	We selected samples of revenue transactions wherein revenue was recognized for the completed performance obligation which were part of incomplete contracts as at the year end. For the transactions selected we compared the underlying documents including proof of service delivery for services completed subsequent to the year end and tested the working for allocation of transaction price to the specific completed performance obligation.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the standalone Ind AS financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the audit of the Standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 1 TO INDEPENDENT AUDITORS' REPORT

Annexure 1 referred to in paragraph 1 under Report on Other Legal and Regulatory Requirements of our audit report of even date:

Re: Blue Dart Express Limited (the "Company")

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the Management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the Management, the title deeds of immovable properties included in property, plant and equipment are held in the name of the Company.
- ii. The Management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies were noticed on such physical verification.
- iii. (a) The Company has granted unsecured loans to one company covered in the register maintained under Section 189 of the Companies Act, 2013 ("the Act"). In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of such loans are not prejudicial to the Company's interest.
- (b) In respect of aforesaid loans, the schedule of repayment of principal and payment of interest has been stipulated. The company to whom loans are given is repaying the principle amount as stipulated and is also regular in payment of interest.
- (c) In respect of aforesaid loans, there are no amounts of loans which are overdue for more than ninety days.
- iv. In our opinion and according to the information and explanations given to us, the provisions of Sections 185 and 186 of the Act in respect of loans and advances given, investments made and guarantees and securities given to the entities in which the directors are interested have been complied with by the Company.
- v. The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended. Accordingly, the provisions of clause 3(v) of the Order are not applicable and hence not commented upon.
- vi. To the best of our knowledge and as explained, the Central Government has not specified the maintenance of cost records under Section 148(1) of the Act, for the products / services of the Company.
- vii. (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, duty of custom, goods and service tax, cess and other statutory

dues applicable to it. The provisions of sales-tax, value added tax and duty of excise are not applicable to the Company.

- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, duty of custom, goods and service tax, cess and other statutory dues were outstanding at the year-end for a period of more than six months from the date they became payable. The provisions of sales-tax, value added tax and duty of excise are not applicable to the Company.
- (c) According to the records of the Company, the unpaid disputed dues on account of value added tax and cess are as follows. There are no disputed dues in respect of income-tax, sales-tax and duty of custom.

Name of the statute	Nature of dues	Amount (in ₹ Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Kerala Value Added Tax Act, 2003	Tax, Interest and Penalty	2,121	Financial Years 2011-12 to 2013-14	The Hon'ble High Court of Kerala
Madhya Pradesh Value Added Tax Act, 2002	Tax, Interest and Penalty	36	Financial Year 2015-16	M.P. Commercial Tax Appellate Board, Bhopal
Uttar Pradesh Value Added Tax Act, 2008	Penalty	22	Financial Year 2015-16	Appellate Board, Ghaziabad

- viii. In our opinion and according to the information and explanations given by the Management, the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank or government or dues to debenture holders.
- ix. According to the information and explanations given by the Management, the Company has not raised any money by way of initial public offer / further public offer / debt instruments and term loans during the year under review. Hence, reporting under clause 3 (ix) is not applicable to the Company and hence not commented upon.
- x. Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the Management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- xi. According to the information and explanations given by the Management, the managerial remuneration has been paid /

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF BLUE DART EXPRESS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Blue Dart Express Limited (the "Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement,

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Financial Statements

A Company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal

financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2020 based on the internal control over financial reporting criteria established by the Company considering the essential components

of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

1 General Information

Blue Dart Express Limited ('the Company') is engaged in the business of integrated air and ground transportation and distribution of time sensitive packages to various destinations, primarily within India. The Company is a public limited company incorporated in India having its registered office at Blue Dart Centre, Sahar Airport Road, Andheri East, Mumbai. The Company has its equity shares listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE).

The standalone financial statements were authorised for issue in accordance with a resolution of the directors on May 26, 2020.

2 Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (amended) under the provisions of the Companies Act, 2013 (the 'Act'). The financial statements have been prepared under the historical cost basis except for certain financial assets and liabilities measured at fair value and Defined benefit plans - plan assets measured at fair value (Refer note 28).

The financial statements are presented in Indian Rupees ('INR') in lakhs, which is also the Company's functional currency. The financial statements are prepared on a going concern basis.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The areas involving critical estimates and judgements are:

- Estimation of useful life of property, plant and equipment and intangibles assets (Refer note 3(a))
- Estimation of defined benefit obligation (Refer note 28)
- Estimation of current tax expense and receivable/payable (Refer note 8 and 36)
- Estimation of contingent liabilities (Refer note 40)
- Estimation of deferred costs (Refer note 16)
- Estimation of revenue recognised (Refer note 25)
- Estimation of lease term of contracts (Refer note 33)

3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements (except Note 3.1).

a. Property, plant and equipment

Free hold land is carried at historical cost, net of accumulated impairment losses, if any. All other items of Property, Plant and Equipment are at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital work-in-progress represents Property, plant and

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

equipment that are not yet ready for their intended use as at the balance sheet date.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Intangible Assets:

Intangible assets are stated at cost less any accumulated amortisation and accumulated impairment losses, if any. The Company capitalises identifiable costs relating to development of internally generated software and these are stated net off accumulated amortization.

Intangible assets under development comprise costs relating to development of software that are not yet ready for their intended use as at the balance sheet date.

Depreciation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

a. Leasehold improvements	Over the period of lease term
b. Office Equipments	10 years
c. Electrical Equipment	6 to 10 years
d. Computers	3 to 6 years
e. Furniture Fixtures	10 years
f. Vehicles	8 years
g. Material Handling Equipment	15 years
h. Machinery and Equipment	2 to 6 years
i. Buildings	60 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates computers over estimated useful lives of 3 to 6 years which are different from the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation for assets purchased/sold during a year is proportionately charged.

Amortisation

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the profit and loss unless such expenditure forms part of carrying value of another asset.

Computer softwares, amortised under straight line method over the estimated useful life of 6 to 10 years. Internally generated software is amortised using the straight-line method over a period of 10 years, based upon its estimated useful economic life.

b. Impairment of Non Financial Assets

The Company assesses at each reporting date whether there is any indication that an asset (tangible or intangible) may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's (CGU) net selling price and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered to be impaired and is written down to its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased then such reversal is recorded in the Statement of Profit and Loss.

c. Investments in Subsidiaries

The Company has accounted for its investments in subsidiaries at cost.

d. Inventories

Inventories are stated at lower of cost and net realisable value.

Inventories primarily consist of packing and stationery consumables which are valued at cost (arrived at using First-in First-out basis).

e. Revenue Recognition

Service Charges:

Company's normal business operations consist of the business of integrated air and ground transportation and distribution of time sensitive packages to various destinations, primarily in India. All income relating to normal business operations is recognised as revenue in the Statement of profit and loss. All other income is reported as other operating income.

Until March 31, 2018, revenue and other operating income were generally recognised when services were rendered, the amount of revenue and income could be reliably measured and, in all probability, the economic benefits from the transactions would flow to the Company.

Since April 01, 2018, revenue has been recognised when

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

control over the services transfers to the customer i.e., when the customer has the ability to control the use of the transferred services provided and generally derive their remaining benefits. The requirement is that a contract with enforceable rights and obligations exists and, amongst other things, the receipt of consideration is likely, taking into account the customer's credit quality. The revenue corresponds to the transaction price to which the Company is expected to be entitled. Variable consideration is included in the transaction price when it is highly probable that a significant reversal in the amount of revenue recognised will not occur and as soon as the uncertainty associated with the variable consideration no longer exists. The Company does not expect to have contracts where the period between the transfer of the promised services to the customer and payment by the customer exceeds one year. Accordingly, the promised consideration is not adjusted for the time value of money. For each performance obligation under contracts entered for logistic services, revenue is recognised over a certain period of time as determined by the Company.

Other Income:

- Interest Income (including Unwinding interest on Payload Deposit and Lease Deposit):

Interest income is recognised using the effective interest rate method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

- Dividend Income:

Dividend income is recognised when the right to receive the dividend is established.

f. Foreign Currency Transactions

Functional and Presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into functional currency using the exchange rates at the date of the

transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance cost. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

g. Employee Benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Compensated absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the Balance Sheet date are treated as short term employee benefits. The liability in respect of compensated absences of short term nature is not actuarially valued and is provided on an estimated basis.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of Balance Sheet date are treated as other long term employee benefits for measurement purposes. The Company's liability

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Remeasurements, comprising of Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

The Company presents the leave as a short term employee benefit obligation in the balance sheet to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity
- (b) Defined contribution plans such as provident fund, super annuation fund, employee's state insurance funds and employee's pension scheme.

Defined Benefit Plans:

Gratuity:

The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments, non-routine settlements; and Net interest expense or income.

Defined Contribution Plans:

Contribution towards Provident Fund for all employees are made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Superannuation is classified as a defined contribution scheme of the Company. Contribution due towards Superannuation Fund for eligible employees is made to an insurance company,

and the Company has no further obligation beyond making this payment.

The Company also contributes to State plans, namely Employee's State Insurance Fund and Employee's Pension Scheme 1995, and has no further obligation beyond making its contribution.

Company's contributions to the above funds are charged to the Statement of Profit and Loss for the year for which the contributions are due for payment.

(iv) Bonus plans

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

h. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any initial lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Building-1 to 10 years
- Motor Vehicles and other equipments:1 to 5 years

The right-of-use assets are also subject to impairment assessment. Refer to the accounting policies in section 3(b) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable.

In calculating the present value of lease payments, the Company calculates its incremental borrowing rate by using the Government's Zero coupon yield rates adjusted for the financial spreads for AA rated bonds at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of buildings, equipments (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of equipments that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a systematic basis, which reflects the pattern of lessee's benefit, i.e., on an as and when basis.

i. Income Taxes

Income tax expense comprises current and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provision of The Income Tax Act, 1961.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and it is intended to realise the asset and set off the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets or liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will

be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are subsequently reversed when it becomes probable that such assets will be realised.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

j. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per contractual terms. Trade and other payables are presented as current financial liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

k. Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

Provisions are measured at present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value pre-tax rate that reflect current market assessment of the time value of money and the risk specific to the liability.

I. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

m. Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, cheques in hand, demand deposits with banks and other short-term highly liquid investments with original maturities upto three months adjusted for bank overdrafts, if any. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

n. Trade receivables

Trade receivables are recognised initially at fair value, less provision for impairment.

o. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial assets

(i) Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

(ii) Initial recognition and Measurement

All financial assets are recognised initially at fair value including, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

The Company has accounted for its investment in subsidiaries at cost.

(iii) Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

(iv) Derecognition

A financial asset is derecognised only when

- (i) The Company has transferred the rights to receive cash flows from the financial asset or
- (ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

(v) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments and are measured at amortised cost e.g., loans, debt securities, deposits and bank balance
- b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i) Trade receivables which do not contain a significant financing component
- ii) All lease receivables resulting from transactions

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

B. Financial liabilities

(i) Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through Statement of Profit and Loss. Such liabilities, including derivatives that are liabilities, are subsequently measured at fair value.

(ii) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and

payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

(iii) Financial liabilities at fair value through Statement of Profit and Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as fair value through Statement of Profit and Loss (FVTPL), fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as fair value through Statement of Profit and Loss.

(iv) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

(v) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(vi) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

p. Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

q. Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the net profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the

year, if any and excluding treasury shares (Refer note 32).

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares. (Refer note 32).

r. Segment Information

The Company has only one operating segment, which is 'integrated air and ground transportation and distribution'. All assets of the Company are domiciled in India and the Company earns its entire revenue from its operations in India. There is no single customer which contributes more than 10% of the Company's total revenues.

s. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III of the Act.

3.1 Changes in accounting policies and disclosures

New and amended standards

The Company applied Ind AS 116 Leases for the first time. The nature and effect of the changes as a result of adoption of this new accounting standard is described below. The Company has not early adopted any standards, amendments that have been issued but are not yet effective/notified.

The Company adopted Ind AS 116 using the modified retrospective approach of adoption as per para C8(b)(ii) read with C8(a) and C5(b) of Ind AS 116, with the date of initial application on 1 April 2019. For leases previously classified as operating leases under Ind AS 17, the Company:

- Recognized a lease liability measured at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate
- Measured the right-of-use asset on a lease-by-lease basis at an amount equal to the lease liability, adjusted for previously recognized prepaid or accrued lease payments.

The Company elected to use the transition practical expedient to not reassess whether a contract is, or contains, a lease at 1 April 2019 and considered only contracts those were recognised as lease under erstwhile standard Ind AS 17. The Company also

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

used practical expedient to not to recognise leases for which the lease term ends within 12 months of the date of initial application, these leases are accounted as short term leases.

Critical judgements and estimates evaluation on implementation:

- (i) In case of leases having a contractual lease term more than non-cancellable period, company has opted to consider the entire contractual lease term, as the company's intention is to continue the lease till the end of contractual lease term based on one or more of the following factors:-
 - (a) The uniqueness of purpose or location of the asset which is taken on lease
 - (b) No availability of a comparable replacement asset
 - (c) The existence and materiality of leasehold improvements
 - (d) Cost of relocation involved
 - (e) Company's past practice of not exiting a contract without having any economic disincentive
- (ii) In case of leases containing both lease and non-lease components, company has decided to separate the amount if the bifurcation is mentioned in the contract and in other cases the non-lease components shall be assumed to be zero and entire amount will be considered as lease rentals.

Please refer note 3(h) for Accounting Policy on Leases.

Nature and purpose of reserves:

Securities Premium

Securities Premium is used to record the premium received on issue of shares. The reserve can be utilised only in accordance with the provisions of the Act.

Debenture Redemption Reserve

During the year ended March 31, 2015, the Company had issued and allotted 166,095,538 nos. of Series I, 94,911,736 nos. of Series II and 71,183,802 nos. of Series III, Unsecured Redeemable Non-convertible Fully Paid Debentures of ₹10 each by way of Bonus, aggregating to ₹ 33,219 Lakhs to its shareholders by appropriating the Surplus in the Statement of Profit and Loss (Retained earning as per Ind AS) through a Scheme of Arrangement (Scheme) approved by Hon'ble High Court of Mumbai and other relevant authorities.

During the current year on 20th November 2019 the Company redeemed the balance tranche of Non convertible debenture Series III. Accordingly the Company has transferred the accumulated balance of Debenture redemption reserve to retained earnings as per the requirements of the Act and in accordance with the clarifications given by the Ministry of Corporate Affairs.

General Reserve

Under the erstwhile Companies Act 1956, General Reserve was created through an annual transfer from net profit after tax at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that in a year in which dividend distribution is more than 10% of the paid-up capital of the Company, then the total dividend distribution is lower than the total distributable profits for that year.

Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies the Act, 2013.

d) Significant Judgement and Estimates

The allocation of the transaction price over timing of satisfaction of performance obligation:

Under the revenue recognition standard Ind AS 115 revenue has been recognised when control over the services transfers to the customer i.e., when the customer has the ability to control the use of the transferred services provided and generally derive their remaining benefits.

The revenue from logistics service is recognised over a period of time. The Company has recognized the revenue in respect of undelivered shipments to the extent of completed activities undertaken with respect to delivery. The Company has taken incurrence of cost incurred at stages of delivery (First mile, Network and Last mile) as base to identify the percentage of service completion in respect of undelivered shipments as at year end. At year end, the Company, based on its tracking systems classifies the ongoing deliveries into stages of delivery and applies estimated percentages as calculated above to recognise revenue.

B Financial Risk management

i) Risk management framework

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk assessment and policies and processes are established to identify and analyze the risks faced by the Company to set appropriate risk limits and controls and to monitor such risks and compliance with the policies and processes. Risk assessment and policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the management is responsible for overseeing the Company's risk assessment and policies and processes.

SCHEDULES

Notes forming part of the Standalone Financial Statements as at and for the year ended March 31, 2020

ii) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected credit loss in respect of trade and other receivables and investments.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and present economic scenario due to COVID 19. The demographics of the customer, including the default risk of the industry in which the customer operates also have an influence on credit risk assessment.

Concentrations of credit risk with respect to trade receivables are limited, due to the Company's customer base being large and diverse and also on account of realisation of receivables within six months. All trade receivables are reviewed and assessed for default on a regular basis.

Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks amounting to ₹ 8,726 Lakhs and ₹ 24,577 Lakhs as at March 31, 2020 and March 31, 2019 respectively. The credit worthiness of such banks is evaluated by the management on an ongoing basis and is considered to be good.

Security deposits given to lessors

The Company has given security deposit to lessors for premises leased by the Company as at March 31, 2020 and March 31, 2019. The credit worthiness of such lessors is evaluated by the management on an ongoing basis and is considered to be good.

Loans and Payable deposit with Blue Dart Aviation Limited

The Company has an outstanding loans of ₹ Nil and ₹ 1,092 Lakhs as at March 31, 2020 and March 31, 2019 respectively. The Company has given interest free payable deposit of ₹ 2,150 Lakhs and ₹ 2,150 Lakhs as at March 31, 2020 and March 31, 2019 respectively.

Further, during the year Company has extended Inter Corporate Deposits aggregating to ₹ 2,644 Lakhs (Previous year ₹ 17,782 Lakhs) as bridge financing arrangement which got settled in full as at year end.

The operation of Blue Dart Aviation Limited are integral part of Company's operations. Considering the operations, future business plan and cash flow projections of wholly owned subsidiary the recoverability of the payable deposit is considered to be good.

iii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The Company has access to funds through various debt instruments option.

As of March 31, 2020, the Company had working capital of ₹ 4,490 Lakhs including loans of ₹ 79 Lakhs, cash and cash equivalents of ₹ 9,604 Lakhs, trade receivables of ₹ 52,453 Lakhs, other assets of ₹ 4,940 Lakhs, employee benefit obligations of ₹ 10,703 Lakhs, trade payables of ₹ 39,109 Lakhs and other liabilities of ₹ 12,774 Lakhs.

As of March 31, 2019, the Company had working capital of ₹ 19,213 Lakhs including loans of ₹ 1,185 Lakhs, cash and cash equivalents of ₹ 26,431 Lakhs, trade receivables of ₹ 48,900 Lakhs, other assets of ₹ 4,822 Lakhs, employee benefit obligations of ₹ 7,823 Lakhs, trade payables of ₹ 37,949 Lakhs, borrowings of ₹ 7,118 Lakhs and other liabilities of ₹ 9,235 Lakhs.

iv) Market risk

Market risk is the risk of loss of future earnings, fair values of future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and its revenue generating and operating activities.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets is based on estimates of taxable income and the period over which deferred tax assets will be recovered. Any changes in future taxable income would impact the recoverability of deferred tax assets.

The Company elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised Provision for Income Tax for the year and re-measured its Deferred tax asset basis the rate prescribed in the said section.

40 CONTINGENT LIABILITIES

Claims against the Company not acknowledged as debt

- a) Stamp Duty - Karnataka and Maharashtra Not ascertainable Not ascertainable

In response to the notices received from Stamp Authorities of Bangalore, Mangalore and Mumbai for payment of stamp duty under the Karnataka Stamp Act, 1957, and Maharashtra Stamp Act, 1958, based on the legal counsel advise received, the Company has filed its reply with those authorities submitting that on various grounds, it does not consider an air waybill to be an 'acknowledgement' chargeable to stamp duty under the Schedule of the said Act.

- b) On February 28, 2019, Honourable Supreme Court of India has passed the Judgement relating to the allowances to be considered while determining the amount of contribution toward Provident Fund. Presently, there are numerous interpretative issues relating to the Judgement. Based on the opinions obtained by the Company from its Legal consultants, the Company has complied the Provident Fund contribution mechanism effective April 1, 2019 and no provision has been made for the past periods in its financial statements as at March 31, 2020.

- c) Service Tax - 434

The Company had received Show Cause cum Demand Notice from service tax authorities relating to the Service Tax demand on courier services provided by the Company to educational institutions (ICAI/CBSE), contending that the Exemption Notification issued for exempting service tax on services rendered to educational institutes (ICAI and CBSE) is not applicable for courier services rendered by the Company.

The Company had filed its reply with the department submitting that courier services provided by the Company are exempt from service tax as per the provisions of the relevant Notification.

In case of exempted turnover, an assessee has the option of (i) reversing input credit in ratio of exempted turnover to total turnover, or (ii) pay a tax of 6% (April 2014 to May 2015) / 7% (June 2015 to Dec 2016). The Company has paid a service tax under option (ii) for the above period. This would be available as credit to be set off against the gross demand.

Further in current year, Company has applied under "Sabka Vishwas – Legacy Dispute Resolution Scheme, 2019" introduced by CBIC (Central Board of Indirect taxes and Customs) and discharged the Service Tax Demand as determined under the scheme.

- d) Pursuant to Aircraft Crew Maintenance and Insurance ("ACMI") agreement entered into between the Company and its wholly owned subsidiary Blue Dart Aviation Limited, the Company where ever required has supported Blue Dart Aviation by issuing Letter of Comfort in favour of various Banks / Financial Institutions to facilitate its borrowings. As on March 31, 2020, the Company has issued letter of comfort worth ₹ 18,500 Lakhs (previous year ₹ 28,500 Lakhs) of which outstanding as on even date is ₹13,084 Lakhs (previous year ₹ 22,410 Lakhs).

- 41 Blue Dart Aviation Limited, wholly owned subsidiary company has repaid the loan in full as per the schedule. During the year, Company has received a repayment of ₹ 1,092 Lakhs [Previous year ₹ 1,903 Lakhs].

43 CAPITAL MANAGEMENT

The Company's objective for Capital management is to maximise shareholder's value and support the strategic objectives of the Company. The Company determines the capital requirements based on its financial performance, operating and long term investment plans. The funding requirements for current financial year are largely met through operating cash flows generated.

The Company monitors capital using a ratio of 'Adjusted net debt' to 'equity'. For this purpose, adjusted net debt is defined as total borrowings less cash and cash equivalents (excluding collection on cash on delivery shipments held on behalf of customers). Equity comprises all components of equity. Debt equity ratio as at March 31, 2020 is 0.07 and as at March 31, 2019 is nil as the cash and cash equivalents (excluding collection on cash on delivery shipments held on behalf of customers) are more than the total borrowings.

44 Note on COVID 19

World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, The Ministry of Home Affairs vide order No.40-3/2020 dated 24.03.2020 notified first ever nation-wide lockdown in India to contain the outbreak of COVID 19 which impacted the overall economy and the business activities of the Company. The Company's performance for the month of March 2020 has been partially impacted. The impact on our business will depend on future developments that cannot be reliably predicted. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results and the Company will closely monitor any material changes to future economic conditions.

45 Subsequent event

The Company has changed its Leave Policy effective April 1, 2020. The Company is in the process of evaluating the effect of the revised leave policy on its financial statement.

DIRECTORS' REPORT

To the Members

Your Directors have a great pleasure in presenting the Twenty Sixth Annual Report of your Company for the financial year ended March 31, 2020.

FINANCIAL RESULTS

	(₹ in Lakhs)	
	Year ended March 31, 2020	Year ended March 31, 2019
Revenues:		
Revenue from Operations	80,686	75,209
Other Income	395	602
Less: Operating Expenses	(52,035)	(64,026)
Operating Profit (EBIDTA)	29,046	11,785

(Loss)/Earnings after tax	(360)	215
Other Comprehensive Income	(201)	24
Total Comprehensive (Loss)/ Income for the year	(561)	239

During the year under review, your Company has recorded a profit before tax of ₹ 801 lakhs as compared to profit before tax of ₹ 570 lakhs for the 12 months which ended on March 31, 2019.

REVIEW OF PERFORMANCE

Your Company is the first scheduled domestic cargo airline operating in the Indian skies, with a fleet of six Boeing 757-200 freighters.

Your Company posted an On Time Performance of 87.98 % and a Technical Dispatch Reliability of 99.2%, with an average fleet life of 24.5 years, despite infrastructure constraints, ATC congestion and runway closures. Your Company handled 42 charters, during the year and uplifted 93,854 tonnes on its network during the 12 month period which ended on March 31, 2020. This was made possible with additional operations of 120 flights and a total of 711.50 hours, supplementing the scheduled night operations.

During the year, your company has carried out four major checks and completed an engine shop visit (ESV). ESV costs were controlled by procuring life limited parts (LLPs) and other components from the open market. A few hundred LLPs were shortlisted for procurement from hundreds of parts identified by the purchase team and reviewed by technical services, which helped to control the ESV cost.

Your Company has carried out the avionics upgrade modification

work in-house, enhancing the capability of our entire fleet to operate in the mandated RNP-1 airspace without any restrictions. The Electronic Flight Bag (EFB) project, aimed at making our cockpits paperless, was fully implemented during the year and stands completely integrated into our operations. This resulted in a reduced weight of 42kgs on each aircraft and corresponding fuel and load efficiency, improved enhanced situational awareness of our pilots, printing cost savings and reduced carbon footprint, adding to our Go Green effort.

Your Company had successfully initiated the "As One Project" during the year 2017 at Hyderabad station, and further extended to the Kolkata and Bangalore stations in 2018. During the Year 2019, the above project was streamlined and integrated into combined operations successfully. The duplications in inbound and outbound operations were eliminated, enabling better, efficient last mile connectivity and improved delivery.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

**To,
The Members,
Blue Dart Aviation Limited**

I have conducted the Secretarial Audit of the Compliance of applicable statutory provisions and the adherence to good corporate practices by **Blue Dart Aviation Limited** (hereinafter called "the Company") bearing Corporate Identification Number **U35303MH1994PLC078691**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2020 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made there under;

- 17) The Unlawful Acts against safety of Civil Aviation Act, 1982.
- 18) The Water (Prevention & Control of Pollution) Act, 1974.

The Company has duly complied with the Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI) during the audit period.

I further report that the applicable financial laws, such as Direct and Indirect Tax Laws, have not been reviewed under my audit as the same falls under the review of statutory auditor and by other designated professionals.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned as above.

ANNEXURES TO DIRECTORS' REPORT

I Further Report That

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- b) Adequate notice is given to all Directors to schedule the board meetings, agenda and detailed notes on agenda sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART AVIATION LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Blue Dart Aviation Limited ("the Company") which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its losses including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Information other than the Financial Statements and Auditors Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART AVIATION LIMITED

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 2 TO INDEPENDENT AUDITORS' REPORT

Annexure 2 to the Independent Auditor's Report of even date on the standalone Ind AS financial statements of Blue Dart Aviation Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Blue Dart Aviation Limited (the "Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone Ind AS financial statement and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

A company's internal financial control over financial reporting with reference to these Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

ANNEXURE 2 TO INDEPENDENT AUDITORS' REPORT

Inherent Limitations of Internal Financial Controls over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Standalone Ind AS Financial Statements and such internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

1. General Information

Blue Dart Aviation Limited ('the Company') is a public company incorporated in India on May 31, 1994 under the provisions of the Companies Act applicable in India. The Company is authorised by the Director General Civil Aviation of India to commercially operate aircrafts for transporting cargo and to provide aircraft maintenance services. "Express Air Charter Services" income is generated from the charter flight services rendered exclusively to Blue Dart Express Limited. The registered office of the Company is located at Blue Dart Centre, Sahar Airport Road, Andheri East, Mumbai - 400 099. The Company is a wholly owned subsidiary of Blue Dart Express Limited, India.

The standalone financial statements were authorised for issue in accordance with a resolution of the directors on May 26, 2020.

2 Basis of preparation of Financial Statements

a. Statement of compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (amended) under the provisions of the Companies Act, 2013 (the 'Act').

b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities and defined benefit plans - plan assets measured at fair value (Refer Note 5,12,17,18 & 19).

c. Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The areas involving critical estimates and judgements are:

- (i) Estimation of useful life of property, plant and equipment and intangible assets [Refer Note 3(a)]
- (ii) Estimation of defined benefit obligation [Refer Note 20]
- (iii) Estimation of provision for inventories
- (iv) Estimation of contingent liabilities [Refer Note 3(l)]
- (v) Estimation of lease term of contract [Refer Note 35 (ii)]

d. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- (i) Expected to be realised or intended to be sold or consumed in normal operating cycle
- (ii) Held primarily for the purpose of trading
- (iii) Expected to be realised within twelve months after the reporting period, or
- (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- (i) It is expected to be settled in normal operating cycle
- (ii) It is held primarily for the purpose of trading
- (iii) It is due to be settled within twelve months after the reporting period, or
- (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, unless otherwise stated.

a. Property, plant and equipment

Property, Plant and Equipment are carried at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital work-in-progress represents property, plant and equipment that are not yet ready for their intended use as at the balance sheet date.

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual value, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

b. Intangible Assets:

Intangible assets are stated at cost less any accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over the estimated useful life. The Company capitalises the cost of Type-Certification course of pilots and engineers, and amortises it using the straight-line method over a period of three to five years, being the estimated useful economic life based on the contractual terms with the pilots and engineers.

Depreciation/Amortisation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Useful Life
Aircraft Componets & Overhaul	Over the engine life cycle
Aircraft Rotable Parts	10 years
Computer Software	6 years
Computers	3 to 6 years
Electrical equipments	10 years
Furnitures & fixtures	10 years
Leasehold Improvements	20 years
Office Equipment	5 years
Type Certification	3-5 years
Vehicles	8 years
Ground Equipment	10 to 15 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates computers over estimated useful lives of 3 to 6 years, leasehold improvement over the period of lease and aircraft rotatable parts over estimated useful lives of 10 years which are different from the useful life prescribed in Schedule II. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation for assets purchased/sold during a year is proportionately charged. Individual assets costing upto

₹ 5,000 are depreciated over a period of one year from the date put to use.

Aircraft components and overhaul includes the cost of engines overhaul, components and modifications of airframes and contractually liable to be incurred by the Company. Such costs are depreciated / amortised on the basis of hours flown or the life cycle of the overhaul programme, as applicable.

c. Impairment of Assets

The Company assesses at each reporting date whether there is any indication that an asset (tangible or intangible) may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's ('CGU') net selling price and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses are recognised in the statement of profit and loss. Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased and such reversal is recorded in the statement of profit and loss.

d. Inventories

Inventory of consumables/spares and loose tools are valued at lower of cost and net realisable value. The cost is calculated at purchase price and expenditure directly attributable to the acquisition of such inventories for bringing them to their present location using the specific identification method.

e. Revenue Recognition

Express Air Charter Services:

Service charges for the Express Air Charter Services are recognised in accordance with the Aircraft Crew Maintenance Insurance (ACMI) Agreement and constitute revenue earned in connection with operating aircrafts for Blue Dart Express Limited on the basis of an agreed mark-up on cost incurred. This includes reimbursement towards certain aircraft operating costs.

Business Support Services:

Income from Infrastructure sharing services is recognised, as and when such services are rendered, on the basis of an agreed mark-up on costs incurred, in accordance with the arrangements entered into or at the contracted rates.

Interest Income:

Interest income is recognised using the effective interest rate ('EIR') method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

f. Foreign Currency Transactions

Functional and Presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is the Company's functional and presentation currency.

Transactions and balances

Foreign currency transactions are translated into functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit or loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

g. Employee Benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Compensated absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the balance sheet date are treated as short term employee benefits. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from

the end of the year are treated as other long term employee benefits.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of balance sheet date are treated as other long term employee benefits for measurement purposes. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Remeasurements, comprising of actuarial losses/ gains are recognised immediately in the balance sheet with corresponding debit or credit to retained earnings through OCI in the period in which they occur.

The Company presents the leave as a short term employee benefit obligation in the balance sheet to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity
- (b) Defined contribution plans such as provident fund, Employee's state insurance funds and Employee's pension scheme.

Defined Benefit Plans:

Gratuity:

The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments non-routine settlements; and Net interest expense or income.

Defined Contribution Plans:

Contribution towards Provident Fund for all employees are made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

The Company also contributes to State plans, namely Employee's State Insurance Fund and Employee's Pension Scheme 1995, and has no further obligation beyond making its contribution.

Company's contributions to the above funds are charged to the statement of profit and loss for the year for which the contributions are due for payment.

(iv) Bonus plans

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

h. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease

payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in section 3(c) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable.

In calculating the present value of lease payments, the Company calculates its incremental borrowing rate by using the Government's Zero coupon yield rates adjusted for the financial spreads for AA rated bonds at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of buildings, equipments (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of buildings, equipments that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

i. Income Taxes

Income tax expense comprises current and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates items recognised directly in equity or in Other Comprehensive Income ('OCI').

Current tax

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and set off the liability on a net basis or simultaneously.

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are subsequently reversed when it becomes probable that such assets will be realised.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

j. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the

draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

k. Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

l. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

m. Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term, highly liquid investments with original maturities of three months. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

SCHEDULES

n. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A) Financial assets

i) Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii) Initial recognition and measurement

All financial assets are recognised initially at fair value including, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

iii) Derecognition

A financial asset is derecognised only when

- (i) The company has transferred the rights to receive cash flows from the financial asset or
- (ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

iv) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance

- b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i) Trade receivables which do not contain a significant financing component
- ii) All lease receivables resulting from transactions

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

B) Financial liabilities

i) Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

ii) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

SCHEDULES

Notes to the financial statements for the year ended March 31, 2020

iii) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as fair value through statement of profit and loss (FVTPL), fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through Statement of profit and loss.

iv) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

v) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the

original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

vi) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

o. Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year, if any and excluding treasury shares (Refer note 31).

SCHEDULES

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares. (Refer note 31).

q. Segment Information

The Company is primarily engaged in a single segment business to operate aircraft and provide aircraft maintenance services within India for the business of integrated air and ground transportation and distribution of time-sensitive packages of Blue Dart Express Limited. All assets of the Company are domiciled in India and the Company earns entire revenue from its operations in India.

r. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

3.1 Changes in accounting policies and disclosures

New and amended standards

The Company applied Ind AS 116 Leases for the first time. The nature and effect of the changes as a result of adoption of this new accounting standard is described below. The Company has not early adopted any standards, amendments that have been issued but are not yet effective/notified.

The Company adopted Ind AS 116 using the modified retrospective approach of adoption as per para C8(b)(ii) read with C8(a) and C5(b) of Ind AS 116, with the date of initial application on 1 April 2019. For leases previously classified as operating leases under Ind AS 17, the Company :

- Recognized a lease liability measured at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate
- Measured the right-of-use asset on a lease-by-lease basis at an amount equal to the lease liability, adjusted for previously recognized prepaid or accrued lease payments.

The Company elected to use the transition practical expedient to not reassess whether a contract is, or contains, a lease at 1 April 2019 and considered only contracts those were recognised as lease under erstwhile standard Ind AS 17. The Company also used practical expedient to not to recognise leases for which the lease term ends within 12 months of the date of initial application,

these leases are accounted as short term leases.

Critical judgements and estimates evaluation on implementation:

(i) In case of leases having a contractual lease term more than non-cancellable period, company has opted to consider the entire contractual lease term, as the company's intention is to continue the lease till the end of contractual lease term based on one or more of the following factors:-

- The uniqueness of purpose or location of the asset which is taken on lease
- No availability of a comparable replacement asset
- The existence and materiality of leasehold improvements
- Cost of relocation involved
- Company's past practice of not exiting a contract without having any economic disincentive

(ii) In case of leases containing both lease and non-lease components, company has decided to separate the amount if the bifurcation is mentioned in the contract and in other cases the non-lease components shall be assumed to be zero and entire amount will be considered as lease rentals.

Please refer note 3(h) for Accounting Policy on Leases.

The effect of adoption Ind AS 116 as at 1 April 2019 (increase/ (decrease)) is, as follows:

Assets	in ₹ Lakhs
Right-of-use assets	63,645
Other Assets (Net book value of Bangalore premises- Refer note 38)	(2,338)

D Actuarial assumptions

- i Valuations in respect of gratuity has been carried out by an independent actuary, as at the balance sheet date, based on the following assumptions:

	As at March 31, 2020 in ₹ Lakhs	As at March 31, 2019 in ₹ Lakhs
Discount Rate and Expected Return on Plan Assets (per annum)	6.82%	7.78%
Rate of increase in Salary growth rate	7.75%	7.25%
Rate of employee turnover	1.00%	1.00%

Note: The estimates of future salary increases, considered in actuarial valuation, takes into account, inflation, seniority, promotions and other relevant factors, such as demand and supply in the employment market.

ii Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

SCHEDULES

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets.

Significant management judgment is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets.

The recoverability of deferred income tax assets is based on estimates of taxable income and the period over which deferred income tax assets will be recovered. Any changes in future taxable income would impact the recoverability of deferred tax assets.

The Company elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised provision for income tax for the year ended March 31, 2020 at the rate of 25.17 % and re-measured its deferred tax asset basis the said rate.

Note 2: Difference between carrying amounts and fair values of other financial assets measured at amortised cost is not significantly different in each of the year presented.

Note 3: Borrowings are taken at variable interest rate which is reviewed and reset periodically considering the market trend and hence the carrying amount is not materially different from their fair values.

B Financial Risk management

i. Risk management framework

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the policies and processes. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the management is responsible for overseeing the Company's risk assessment and management policies and processes.

ii. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company does not have any financial assets that are past due but not impaired.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

	March 31, 2020	March 31, 2019
Neither past due nor impaired		
Past due but not impaired		
Past due 1-90 days	4,726	2,042
Past due 91-180 days	89	2
	4,815	2,044

Of the above total balances of ₹ 4815 lakhs, the related party balances is ₹ 4801 lakhs and the remaining is ₹ 14 lakhs.

SCHEDULES

Notes forming part of Financial Statements as of and for the year ended March 31, 2020

Expected credit loss assessment for customers as at March 31, 2019 and March 31, 2020

Exposures to customers outstanding at the end of each reporting period are reviewed by the Company to determine incurred and expected credit losses. As company's customer are its holding company and group company hence impairment of trade receivables do not reflect any significant credit losses. Given that the macro economic indicators affecting customers of the Company have not undergone any substantial change, the Company expects the historical trend of no credit losses. Further, management believes that the unimpaired amounts that are past due by more than 90 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk.

Cash and cash equivalents

The Company held cash and cash equivalents with credit worthy banks and financial institutions of ₹ 107 Lakhs and ₹ 81 Lakhs as at March 31, 2020 and March 31, 2019 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Security deposits given to lessors

The Company has given security deposit to lessors for premises leased by the Company as at March 31, 2020 and March 31, 2019. The credit worthiness of such lessors is evaluated by the management on an ongoing basis and is considered to be good.

iii. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

As of March 31, 2020, the Company had working capital of ₹ (17387) lakhs including inventories of ₹ 2326 lakhs, cash and cash equivalents of ₹ 109 lakhs, trade receivables of ₹ 4815 lakhs, other assets of ₹ 2118 lakhs, trade payables of ₹ 4939 lakhs, provisions for aircraft redelivery obligation ₹ 148 lakhs, employee benefit obligation of ₹ 806 lakhs, lease liability of ₹ 7360 lakhs and other current liabilities of ₹ 13502 lakhs.

As of March 31, 2019, the Company had working capital of ₹ (11174) lakhs including inventories of ₹ 2012 lakhs, cash and cash equivalents of ₹ 83 lakhs, trade receivables of ₹ 2044 lakhs, other assets of ₹ 3511 lakhs, trade payables of ₹ 6568 lakhs, provisions for aircraft redelivery obligation ₹ 218 lakhs, employee benefit obligation of ₹ 438 lakhs and other current liabilities of ₹ 11600 lakhs.

Exposure to liquidity risk

iv Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, the Company's exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to market risk for changes in interest rates relates to deposits and borrowings from bank and financial institutions.

For details of the Company's short-term and long term loans and borrowings, including interest rate profiles, refer to Note 16 and Note 22 of these financial statements.

Interest rate sensitivity - variable rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased equity and profit or loss by amounts shown below. This analyses assumes that all other variables, in particular, foreign currency exchange rates, remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

	Profit or loss	
	100 bp increase	100 bp decrease

Variable-rate instruments	(455)	455
sensitivity	(455)	455
As at March 31, 2019		
Variable-rate instruments	(436)	436
sensitivity	(436)	436

SCHEDULES

Notes forming part of Financial Statements as of and for the year ended March 31, 2020

b) Currency risk

The fluctuation in foreign currency exchange rates may have potential impact on the profit and loss account and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the entity.

Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in U.S. dollar, GBP and Euro, against the functional currency of the Company.

Exposure to currency risk

The summary quantitative data about the Company's exposure to currency risk as reported to the management of the Company is as follows:

	in ₹ Lakhs	
	March 31, 2020	March 31, 2019
Lease Liability(in USD)	4,693	-
Lease Liability(in Euro)	25,503	-
Trade payables(in GBP)	4	4
Trade payables(in USD)	1,440	3,374
Trade payables(in Euro)	2,092	520
Net statement of financial position exposure	33,732	3,898

Sensitivity analysis

A 5% strengthening / weakening of the respective foreign currencies with respect to functional currency of Company would result in increase or decrease in profit or loss and equity as shown in table below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. The following analysis has been worked out based on the exposures as of the date of statements of financial position.

Effect in ₹ Lakhs	Profit or loss	
March 31, 2020	Strengthening	Weakening
USD	(307)	307
EUR	(1,380)	1,380
	(1,687)	1,687

Effect in ₹ Lakhs	Profit or loss	
March 31, 2019	Strengthening	Weakening
USD	(169)	169
EUR	(26)	26
	(195)	195

(Note: The impact is indicated on the profit/loss and equity before tax basis)

37 CAPITAL MANAGEMENT

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital regularly.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total borrowings, comprising interest-bearing loans and borrowings and obligations under finance leases, less cash and cash equivalents. Adjusted equity comprises all components of equity.

SCHEDULES

Notes forming part of Financial Statements as of and for the year ended March 31, 2020

The Company's adjusted net debt to equity ratio at March 31, 2020 was as follows:

	As at March 31, 2020 in ₹ Lakhs	As at March 31, 2019 in ₹ Lakhs
Total external borrowings	45,500	43,592
Less : Cash and cash equivalent	109	83
Adjusted net debt	45,391	43,509
Total equity	4,640	5,201
Adjusted net debt to adjusted equity ratio	9.78	8.37

38 SURRENDER AND TRANSFER DEED

During the previous year, the Company entered in to Surrender and Transfer Deed and new Sub Lease agreement with Bangalore International Airport Limited ('BIAL') whereby Company surrendered the existing building / premises built on land taken on lease from BIAL in earlier periods and taken on lease new premises from BIAL at preferred rent. The net book value of premises surrendered ₹ 2,350 Lakhs has been reclassified from the fixed assets and has been classified under Other non assets amounting to ₹ 2090 Lakhs & Other current assets amounting to ₹ 260 Lakhs as at March 31, 2019 representing the value of concession in rent to be received over the period of lease agreement.

During the current year, on the first time implementation of IND AS 116, the Company has transferred the said net book value of premises amounting to ₹ 2,350 Lakhs to ROU assets on April 01, 2019.

39 A NOTE ON COVID 19

World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, The Ministry of Home Affairs vide order No.40-3/2020 dated 24.03.2020 notified first ever nation-wide lockdown in India to contain the outbreak of COVID 19 which impacted the overall economy and the business activities of the Company. The Company's performance for the month of March 2020 has been partially impacted. The impact on our business will depend on future developments that cannot be reliably predicted. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial results and the Company will closely monitor any material changes to future economic conditions.

39 B SUBSEQUENT EVENT

The Company has changed its Leave Policy effective April 1, 2020. The Company is in the process of evaluating the effect of the revised leave policy on its financial statement.

40 CONTINGENT LIABILITY - Nil

41 SEGMENT INFORMATION

Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) comprises of Managing Director and Chief Financial Officer evaluates the Company's performance and reviews the segment business. The Company is primarily engaged in a single segment business to operate aircraft and provide aircraft maintenance services within India for the business of integrated air and ground transportation and distribution of time-sensitive packages of Blue Dart Express Limited. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF CONCORDE AIR LOGISTICS LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Concorde Air Logistics Limited ("the Company") which comprise the Balance sheet as at March 31 2020, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF CONCORDE AIR LOGISTICS LIMITED

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

ANNEXURE 2 TO INDEPENDENT AUDITORS' REPORT

Annexure 2 referred to in paragraph 2 under Report on Other Legal and Regulatory Requirements of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of the Concorde Air Logistics Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these financial statements

A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting With reference to these standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNEXURE 2 TO INDEPENDENT AUDITORS' REPORT

Annexure 2 referred to in paragraph 2 under Report on Other Legal and Regulatory Requirements of our report of even date

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

1 General Information

Concorde Air Logistics Limited "the Company" is an International Air Cargo Agent with International Air Transport Association ('IATA') and engaged inter alia in the business of clearing and forwarding of time sensitive air cargo packages. The Company is a public limited company incorporated in India having its registered office at 17, Adarsh Industrial Estate, Sahar Airport Road, Andheri (E), Mumbai. The financial statements were authorised for issue in accordance with a resolution of the directors on May 26, 2020.

2 Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 under the provisions of the Companies Act, 2013 (the 'Act') and subsequent amendments thereof. The financial statements have been prepared under the historical cost basis except for certain financial assets and liabilities measured at fair value (Refer note 3(l)) and Defined benefit plans - plan assets measured at fair value (Refer note 21).

The financial statements are presented in Indian Rupees ('INR') and all values are rounded off to the nearest thousands (INR 000), except when otherwise indicated.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The areas involving critical estimates and judgements are:

- Estimation of useful life of property, plant and equipment and intangibles assets (Refer note 3(a))
- Estimation of defined benefit obligation (Refer note 21)
- Estimation of current tax expense and receivable/payable (Refer note 7 and 30)

3. Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Property, plant and equipment

All items of Property, Plant and Equipment are at historical cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditures that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Intangible Assets:

Intangible assets are stated at acquisition cost net of accumulated amortisation and accumulated impairment losses, if any.

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

Depreciation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Useful Life
Office Equipments	10 years
Electrical Equipment	6 to 10 years
Computers	3 to 6 years
Furniture Fixtures	10 years
Vehicles	8 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates computers over estimated useful lives of 3 to 6 years which are different from the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation for assets purchased/sold during a year is proportionately charged.

Amortisation

Computer software, other than internally generated, is amortised under straight line method over the estimated useful life of 6 years.

(b) Impairment of Assets

The Company assesses at each reporting date whether there is any indication that an asset (tangible or intangible) may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's (CGU) net selling price and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased and such reversal is recorded in the Statement of Profit and Loss.

(c) Revenue Recognition

Service Charges:

Service charges for clearing and forwarding of shipments are recognised as income when shipments are manifested and represent amounts invoiced, net of goods and service tax and all discounts and allowances.

Commission Income:

Commission is accrued when cargo is delivered to the custody of the airline and the master airway bill is issued.

Interest Income:

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and applicable interest rate. Interest income is included in "Other Income" in the statement of profit and loss.

Interest from government authorities is recognised when there is reasonable assurance that the interest will be received.

(d) Employee Benefits

i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Compensated absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the Balance Sheet date are treated as short term employee benefits. The liability in respect of compensated absences of short term nature is not actuarially valued and is provided on an estimated basis.

ii) Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of Balance Sheet date are treated as other long term employee benefits for measurement purposes. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

The Company presents the leave as a short term employee benefit obligation in the balance sheet to the extent it does

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

not have an unconditional right to defer its settlement for 12 months after the reporting date.

iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as Gratuity
- (b) Defined contribution plans such as Provident fund, Employee's state insurance funds and Employee's pension scheme.

Defined Benefit Plans

Gratuity :

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Re-measurement of the net defined liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments non-routine settlements; and Net interest expense or income.

Defined Contribution Plans:

Contribution towards Provident Fund for all employees are made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

The Company also contributes to State plans, namely Employee's State Insurance Fund and Employee's Pension Scheme 1995, and has no further obligation beyond making its contribution.

Company's contributions to the above funds are charged to the Statement of Profit and Loss for the year for which the contributions are due for payment.

iv) Bonus plans

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

(e) Leases

The Company assesses at contract inception whether a contract is or contains, lease. That is, if contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee:

Short term leases and low value assets:

The Company applies the short term lease recognition exemption to its short term leases of buildings (i.e. those leases that have a lease term for 12 months or less from the commencement date and do not contain a purchase option). Lease payments on short-term leases and leases of low-value assets are recognised as expense on a systematic basis, which reflects the pattern of lease benefit i.e. on an as and when basis.

(f) Income Taxes

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and set off the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets or liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are subsequently reversed

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

when it becomes probable that such assets will be realised.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

(g) Trade and other payables

These amounts represent liabilities for services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per contractual terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(h) Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value pre-tax rate that reflect current market assessment of the time value of money and the risk specific to the liability.

(i) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, cheques in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(j) Trade receivables

Trade receivables are recognised initially at fair value, less provision for impairment.

(k) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(l) A. Financial assets

i. Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through OCI or fair value through profit or loss (Statement of Profit and Loss) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii. Initial recognition and Measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through profit or loss (Statement of Profit and Loss), transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

iii. Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

iv. Derecognition

A financial asset is derecognised only when

- (i) The Company has transferred the rights to receive cash flows from the financial asset or
- (ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

v. Impairment of financial assets

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., deposits, and bank balance
- b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i) Trade receivables which do not contain a significant financing component
- ii) All lease receivables resulting from transactions

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

B. Financial liabilities

i. Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss (Statement of Profit and Loss). Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

ii. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss (Statement of Profit and Loss), loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value.

The Company's financial liabilities include trade and other payables.

iii. Financial liabilities at fair value through Statement of Profit and Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss (Statement of Profit and Loss). Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

Financial liabilities designated upon initial recognition at fair value through profit or loss (Statement of Profit and Loss) are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as Fair Value Through Profit and Loss (FVTPL), fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of profit and loss. The Company has not designated any financial liability as at fair value through Statement of Profit and Loss.

iv. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

v. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(m) Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest

level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(n) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares (Refer note 24).

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares. (Refer note 24).

B Financial Risk management

i) Risk management framework

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the management is responsible for overseeing the Company's risk assessment and management policies and processes.

ii) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables.

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment.

Concentration of credit risk with respect to trade receivables is limited, due to the Company's customer base being small and consisting of mainly related parties and also on account of realisation of receivables within six months. All trade receivables are reviewed and assessed for default on a regular basis.

SCHEDULES

Notes Forming Part of the Financial Statements as at and for the year ended March 31, 2020

Cash and Cash Equivalents

The Company held Cash and Cash Equivalents with credit worthy banks and financial institutions of Rs. 3,773 ('000), Rs.9,247 ('000) as at March 31, 2020, March 31, 2019 respectively. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

iii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

The net-worth of the Company as on March 31, 2019, March 31, 2020 is ₹ 49,948 ('000), ₹ 50,020 ('000) respectively. Further, there is continued support from Blue Dart Express Limited, the Holding Company, to provide financial support to the Company to meet its financial obligations, as and when they fall due for a period not less than twelve months from the date of signing the Financial Statements.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and exclude the impact of netting agreements.

			Contractual cash flows			in ₹ ('000)
March 31, 2020	Carrying amount	Total	0-1 year	1-2 years	2-5 years	More than 5 years

Total	75,120	75,120	75,120	-	-	-

iv) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debts. The Company is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, the Company's exposure to market risk is a function of investing activities.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income and the period over which deferred income tax assets will be recovered. Any changes in future taxable income would impact the recoverability of deferred tax assets.

31 Going Concern

The Net worth of the Company as at March 31, 2020 is ₹ 49,948(000) [as at March 31, 2019: ₹ 50,020 (000)]. The holding Company, Blue Dart Express Limited, is committed to provide operational and financial support to the Company, to meet its financial obligations as and when they fall due, in the foreseeable future. Accordingly, these financial statements have been prepared on the going concern basis.

32 Note on COVID-19

“World Health Organisation (WHO) declared outbreak of Coronavirus Disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, The Ministry of Home Affairs vide order No.40-3/2020 dated 24.03.2020 notified first ever nation-wide lockdown in India to contain the outbreak of COVID 19 which impacted the overall economy and the business activities of the Company. The Company's performance for the month of March 2020 has been partially impacted. The impact on our business will depend on future developments that cannot be reliably predicted. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial statements and the Company will closely monitor any material changes to future economic conditions.”

33 Capital Management

The Company's objective for Capital Management is to maximise shareholder's value, support the strategic objectives of the Company. The Company determines the capital requirements based on its financial performance, operating and long term investment plans. The funding requirements are met through operating cash flows generated.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Blue Dart Express Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated Balance Sheet as at March 31, 2020, the consolidated Statement of Profit and Loss, including Other Comprehensive Income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, their consolidated losses including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the audit of the consolidated Ind AS financial statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matter described below to be the key audit matter to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of audit procedures performed by us, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matter	How our audit addressed the key audit matter
Revenue recognition	
<p>The Group enters into contracts with customers for the provision of services. Revenue from these contracts is recognized in accordance with the requirements of Ind AS 115, Revenue from Contracts with Customers (as described in note 3(d) of the Consolidated Ind AS financial statements).</p> <p>As at the year end, for all incomplete contracts, revenue is recognized for the completed performance obligation which are part of incomplete contract based on the stage of completion and transaction price allocated to the specific completed performance obligation.</p> <p>The process of identifying the stage of completion and allocation of transaction price to the specific performance obligation as at the balance sheet date is complex and dependent on management estimates and relevant IT controls in certain operational systems.</p>	<p>Our audit procedures included assessing the Group's revenue recognition accounting policies in accordance with Ind AS 115, Revenue from Contracts with Customers.</p> <p>We obtained an understanding of management's internal controls over the revenue process and evaluated whether these were designed in line with the Group's accounting policies. We tested relevant internal controls, including IT controls over revenue process. We assessed the management's evaluation process to recognize revenue over a period of time, ascertain stage of completion and allocation of transaction price to the specific performance obligation.</p> <p>We performed test of details for the selected sample of revenue transactions during the year and traced these to underlying supporting documentation / evidence.</p>

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

Key audit matters	How our audit addressed the key audit matter
Revenue recognition	
Considering complexity and volume, there is a risk that revenue recognized for completed performance obligations which are part of incomplete contracts as at the balance sheet date may not be appropriate.	We selected a sample of revenue transactions wherein revenue was recognized for the completed performance obligation which was a part of incomplete contracts as at the year end. For the transactions selected we compared the underlying documents including proof of service delivery for services completed subsequent to the year end and tested the working for allocation of transaction price to the specific completed performance obligation.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable, that:

- (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF BLUE DART EXPRESS LIMITED

- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors of the Holding Company and subsidiaries incorporated in India as on March 31, 2020, none of the directors of the Group's companies incorporated in India are disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding Company and its subsidiary companies incorporated in India, refer to our separate Report in "Annexure 1" to this report;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid / provided by the Holding Company and its subsidiaries incorporated in India to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its consolidated financial position of the Group in its consolidated Ind AS financial statements. Refer Note 41 to the consolidated Ind AS financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries incorporated in India.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF BLUE DART EXPRESS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Blue Dart Express Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Consolidated Ind AS Financial Statements

A Company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting With Reference to these Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF BLUE DART EXPRESS LIMITED

consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

1. General Information

Blue Dart Express Limited ('the Company') is engaged in the business of integrated air and ground transportation and distribution of time sensitive packages to various destinations, primarily within India. The Company is a public limited company incorporated in India having its registered office situated at Blue Dart Centre, Sahar Airport Road, Andheri (East), Mumbai, Maharashtra. The Company has its equity shares listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). These consolidated financial statements comprise the Company and its subsidiaries (referred to collectively as 'the Group').

The Company has following subsidiaries:

Name of the Subsidiary	Ownership Interest
Blue Dart Aviation Limited	100%
Concorde Air Logistics Limited	100%

Blue Dart Aviation Limited (BDAL) was incorporated on May 31, 1994. BDAL is authorised by the Director General of Civil Aviation to commercially operate aircrafts for transporting cargo and to provide aircraft maintenance services. "Express Air Charter Services" income is generated from the charter flight services rendered exclusively to Blue Dart Express Limited.

The Concorde Air Logistics Limited is an International Air Cargo Agent with International Air Transport Association ('IATA') and engaged inter alia in the business of clearing and forwarding of time sensitive air cargo packages.

The Consolidated financial statements were authorised for issue in accordance with a resolution of the directors on May 26, 2020.

2. Basis of preparation of financial statements

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (amended) under the provisions of the Companies Act, 2013 (the 'Act'). The financial statements have been prepared under the historical cost basis except for certain financial assets and liabilities measured at fair value and Defined benefit plans - plan assets measured at fair value (Refer note 30).

The financial statements are presented in Indian Rupees ('INR') in lakhs, which is also the Group's functional currency. The financial statements are prepared on a going concern basis.

Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading

- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

Use of estimates and judgements

The preparation of the consolidated financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

The areas involving critical estimates and judgements are:

- Estimation of useful life of property, plant and equipment and intangibles (Refer note 3(a))
- Estimation of defined benefit obligation (Refer note 30)
- Estimation of current tax expense and payable (Refer note 7 and 37)
- Estimation of contingent liabilities (Refer note 41)
- Estimation of deferred costs (Refer note 15)
- Estimation of revenue recognised (Refer note 27)
- Estimation of lease term of contracts (Refer note 35)

Principles of consolidation

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable return from its involvement with the entity and

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

3. Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these consolidated financial statements (except Note 3.1).

a. Property, plant and equipment

Free hold land is carried at historical cost net of accumulated impairment losses, if any. All other items of Property, Plant and Equipment are at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

Capital work-in-progress represents fixed assets that are not yet ready for their intended use as at the balance sheet date.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

Intangible Assets:

Intangible assets are stated at acquisition cost net of accumulated amortisation and accumulated impairment losses, if any. The Group capitalises identifiable costs relating to development of internally generated software and these are stated net off accumulated amortization.

Intangible assets under development comprise costs relating to development of software that are not yet ready for their intended use as at the balance sheet date.

Depreciation

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Useful Life
Leasehold improvements	Over the period of lease
Office Equipments	5 to 10 years
Electrical Equipment	6 to 10 years
Computers	3 to 6 years
Furniture Fixtures	10 years
Vehicles	8 years
Material Handling Equipment	10 to 15 years
Machinery and equipment	2 to 6 years
Buildings	60 years
Aircraft Componets & Overhaul	Over the engine life cycle
Aircraft Rotable Parts	10 years

The Group, based on technical assessment made by technical expert and management estimate, depreciates computers over estimated useful lives of 3 to 6 years which are different from the useful life prescribed in Schedule II to the Act. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation for assets purchased/sold during a year is proportionately charged.

Aircraft components and overhaul includes the cost of engines overhaul, components and modifications of airframes owned and contractually liable to be incurred by the Group. Such costs are depreciated / amortised on the basis of hours flown or the life cycle of the overhaul programme, as applicable.

Amortisation

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognised in the profit and loss unless such expenditure forms part of carrying value of another asset.

Computer softwares, are amortised under straight line method over the estimated useful life of 6 to 10 years. Internally generated software is amortised using the straight-line method over a period of 10 years, based upon its estimated useful economic life. Type Certification are amortised under straight line method over the estimated useful life 3 to 5 years.

b. Impairment of Non-Financial Assets

The Group assesses at each reporting date whether there is

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

any indication that an asset (tangible or intangible) may be impaired. If any indication exists, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's (CGU) net selling price and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered to be impaired and is written down to its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased then such reversal is recorded in the Statement of Profit and Loss.

c Inventories

Inventories are stated at lower of cost and net realisable value.

Inventories of packing and stationery consumables are valued at cost (arrived at using First-in First-out basis).

Inventory of consumables and loose tools are valued at lower of cost and net realisable value. The cost is calculated at purchase price and expenditure directly attributable to the acquisition of such inventories for bringing them to their present location using the specific identification method.

d. Revenue Recognition

Service Charges:

Group's normal business operations consist of the business of integrated air and ground transportation and distribution of time sensitive packages to various destinations, primarily in India. All income relating to normal business operations is recognised as revenue in the Statement of profit and loss. All other income is reported as other operating income.

Until March 31, 2018, revenue and other operating income were generally recognised when services were rendered, the amount of revenue and income could be reliably measured and, in all probability, the economic benefits from the transactions would flow to the Group.

Since April 01, 2018, revenue has been recognised when control over the services transfers to the customer i.e., when the customer has the ability to control the use of the transferred services provided and generally derive their remaining benefits. The requirement is that a contract with enforceable rights and obligations exists and, amongst other things, the receipt of consideration is likely, taking into account the customer's credit quality. The revenue corresponds to the transaction price to which the Group is expected to be entitled. Variable consideration is included in the transaction price when it is highly probable that a significant reversal in the amount of revenue recognised will not occur and as soon as the uncertainty associated with the variable consideration no longer exists. The Group does not expect to have contracts

where the period between the transfer of the promised services to the customer and payment by the customer exceeds one year. Accordingly, the promised consideration is not adjusted for the time value of money. For each performance obligation under contracts entered for logistic services, revenue is recognised over a certain period of time as determined by the Group.

Business Support Service Income (net of service tax, goods and services tax):

Income from Infrastructure sharing services is recognised, as and when such services are rendered, on the basis of an agreed mark-up on costs incurred, in accordance with the arrangements entered into or at the contracted rates.

Other Income:

Interest Income (including Unwinding interest on Lease Deposit):

Interest income is recognised using the effective interest rate method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

Dividend Income:

Dividend income is recognised when the right to receive the dividend is established.

e. Foreign Currency Transactions

i. Functional and Presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is the Group's functional and presentation currency.

ii. Transactions and balances

Foreign currency transactions are translated into functional currency using the exchange rates at the date of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit or Loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

f. Employee Benefits

i. Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Compensated absences:

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the Balance Sheet date are treated as short term employee benefits. The liability in respect of compensated absences of short term nature is not actuarially valued and is provided on an estimated basis.

ii. Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in Statement of Profit and Loss.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of Balance Sheet date are treated as other long term employee benefits for measurement purposes. The Group's liability is actuarially determined (using the Projected Unit Credit Method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

The Group presents the leave as a short term employee benefit obligation in the balance sheet to the extent it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

iii. Post-employment obligations

The Group operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity
- (b) Defined contribution plans such as provident fund, super annuation fund, employee's state insurance funds and employee's pension scheme.

Defined Benefit Plans:

Gratuity:

The Group provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Re-measurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in other comprehensive income (OCI).

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss: Service costs comprising current service costs, past-service costs, gains and losses on curtailments, non-routine settlements; and Net interest expense or income.

Defined Contribution Plans:

Contribution towards Provident Fund for all employees are made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis.

Superannuation is classified as a defined contribution scheme of the Group. Contribution due towards Superannuation Fund for eligible employees is made to an insurance company, and the Group has no further obligation beyond making this payment.

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

The Group also contributes to State plans, namely Employee's State Insurance Fund and Employee's Pension Scheme 1995, and has no further obligation beyond making its contribution.

Group's contributions to the above funds are charged to the Statement of Profit and Loss for the year for which the contributions are due for payment.

iv. Bonus plans

The Group recognises a liability and an expense for bonuses. The Group recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

g. Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any initial lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

- Building-1 to 10 years
- Motor Vehicles and other equipments:1 to 5 years

The right-of-use assets are also subject to impairment assessment. Refer to the accounting policies in section 3(b) Impairment of non-financial assets.

Lease Liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable.

In calculating the present value of lease payments, the Group calculates its incremental borrowing rate by using the

Government's Zero coupon yield rates adjusted for the financial spreads for AA rated bonds at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term.

The Group's lease liabilities are included in Other Financial Liabilities.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of buildings, equipments (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of equipments that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a systematic basis, which reflects the pattern of lessee's benefit, i.e., on an as and when basis.

h. Income Taxes

Income tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the provision of The Income Tax Act, 1961.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts and it is intended to realise the asset and set off the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets or liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are subsequently reversed when it becomes probable that such assets will be realised.

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

i. Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per contractual terms. Trade and other payables are presented as current financial liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

j. Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of a past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated.

Provisions are measured at present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value pre-tax rate that reflect current market assessment of the time value of money and the risk specific to the liability.

k. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

l. Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, cheques in hand, demand deposits with banks and other short-term highly liquid investments with original maturities upto three months adjusted for bank overdrafts, if any. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

m. Trade receivables

Trade receivables are recognised initially at fair value, less provision for impairment.

n. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial assets

i. Classification

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii. Initial recognition and Measurement

All financial assets are recognised initially at fair value including, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

iii. Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

- b) Contractual terms of the asset give rise to cash flows on specified dates that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments included within the fair value through profit and loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

iv. Derecognition

A financial asset is derecognised only when:

- (i) The Group has transferred the rights to receive cash flows from the financial asset or
- (ii) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

v. Impairment of financial assets

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments and are measured at amortised cost e.g., loans, debt securities, deposits and bank balance

- b) Trade receivables

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- i) Trade receivables which do not contain a significant financing component
- ii) All lease receivables resulting from transactions

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

B. Financial liabilities

i. Classification

The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through Statement of Profit and Loss. Such liabilities, including derivatives that are liabilities, are subsequently measured at fair value.

ii. Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

iii. Financial liabilities at fair value through Statement of Profit and Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as fair value through Statement of Profit and Loss (FVTPL), fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/losses are not subsequently transferred to Statement of Profit and Loss. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Group has not designated any financial liability as fair value through Statement of Profit and Loss.

iv. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognized.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

v. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

vi. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

o. Fair value measurement

'Fair value' is the price that would be received to sell an asset

or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Group has access at that date. The fair value of a liability reflects its non-performance risk.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

p. Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the net profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year, if any and excluding treasury shares (Refer note 34).

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares. (Refer note 34).

q. Segment Information

The Group has only one operating segment, which is integrated air and ground transportation and distribution. All assets

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

of the Group are domiciled in India and the Group earns its entire revenue from its operations in India. There is no single customer which contributes more than 10% of the Group's total revenues. (Refer note 46).

r. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III of the Act.

3.1.Changes in accounting policies and disclosures

New and amended standards

The Group applied Ind AS 116 Leases for the first time. The nature and effect of the changes as a result of adoption of this new accounting standard is described below. The Group has not early adopted any standards, amendments that have been issued but are not yet effective/notified.

The Group adopted Ind AS 116 using the modified retrospective approach of adoption as per para C8(b)(ii) read with C8(a) and C5(b) of Ind AS 116, with the date of initial application on 1 April 2019. For leases previously classified as operating leases under Ind AS 17, the Group:

- Recognized a lease liability measured at the present value of the remaining lease payments, discounted using the Group's incremental borrowing rate
- Measured the right-of-use asset on a lease-by-lease basis at an amount equal to the lease liability, adjusted for previously recognized prepaid or accrued lease payments.

The Group elected to use the transition practical expedient to not reassess whether a contract is, or contains, a lease at 1 April 2019 and considered only contracts those were recognised as lease under erstwhile standard Ind AS 17. The Group also used practical expedient to not to recognise leases for which the lease term ends within 12 months of the date of initial application, these leases are accounted as short term leases.

Critical judgements and estimates evaluation on implementation:

- (i) In case of leases having a contractual lease term more than non-cancellable period, Group has opted to consider the entire contractual lease term, as the Group's intention is to continue the lease till the end of contractual lease term based on one or more of the following factors:-

- (a) The uniqueness of purpose or location of the asset which is taken on lease
- (b) No availability of a comparable replacement asset
- (c) The existence and materiality of leasehold improvements
- (d) Cost of relocation involved
- (e) Group's past practice of not exiting a contract without having any economic disincentive

- (ii) In case of leases containing both lease and non-lease components, Group has decided to separate the amount if the bifurcation is mentioned in the contract and in other cases the non-lease components shall be assumed to be zero and entire amount will be considered as lease rentals.

Please refer note 3(g) for Accounting Policy on Leases.

The effect of adoption Ind AS 116 as at 1 April 2019 (increase/(decrease)) is, as follows:

Nature and purpose of reserves:

Securities Premium

Securities Premium is used to record the premium received on issue of shares. The reserve can be utilised only in accordance with the provisions of the Act.

Debenture Redemption Reserve

During the year ended March 31, 2015, the Group had issued and allotted 166,095,538 nos. of Series I, 94,911,736 nos. of Series II and 71,183,802 nos. of Series III, Unsecured Redeemable Non-convertible Fully Paid Debentures of ₹ 10 each by way of Bonus, aggregating to ₹ 33,219 Lakhs to its shareholders by appropriating the Surplus in the Statement of Profit and Loss (Retained earning as per Ind AS) through a Scheme of Arrangement (Scheme) approved by Hon'ble High Court of Mumbai and other relevant authorities.

During the current year on 20th November 2019 the Group redeemed the balance tranche of Non convertible debenture Series III. Accordingly the Group has transferred the accumulated balance of Debenture redemption reserve to retained earnings as per the requirements of the Act and in accordance with the clarifications given by the Ministry of Corporate Affairs.

General Reserve

Under the erstwhile Companies Act 1956, General Reserve was created through an annual transfer from net profit after tax at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that in a year in which dividend distribution is more than 10% of the paid-up capital of the Company, then the total dividend distribution is lower than the total distributable profits for that year.

Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies the Act, 2013.

The revenue from logistics service is recognised over a period of time. The Group has recognized the revenue in respect of undelivered shipments to the extent of completed activities undertaken with respect to delivery. The Group has taken incurrence of cost incurred at stages of delivery (First mile, Network and Last mile) as base to identify the percentage of service completion in respect of undelivered shipments as at year end. At year end, the Group, based on its tracking systems classifies the ongoing deliveries into stages of delivery and applies estimated percentages as calculated above to recognise revenue.

35 LEASES

The Group has lease contracts for various items of Buildings, Office equipment, vehicles and aircrafts used in its operations. Leases of buildings generally have lease terms between 2 to 10 years, Leases of aircraft generally have lease terms between 5 to 7 years, while vehicles and office equipment generally have lease terms of 5 years. The Group's obligations under its leases are secured by the lessor's title to the leased assets.

The Group also has certain leases of buildings with lease terms of 12 months or less and leases of office equipment with low value. The Group applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the year:

Note 1: The carrying value of Trade receivables, Loans, cash and cash equivalents, other bank balances, other financial assets, trade payables, lease liability, other financial liability are considered to be the same as their fair values due to their short term nature.

Note 2: Difference between carrying amounts and fair values of loans, deposits, other non-current financial assets measured at amortised cost is not significantly different in each of the year presented.

Note 3: The borrowings includes Term Loan (previous year Debentures and Term loan). Previous Year, Debentures were classified under level 1 in fair value hierarchy with quoted prices in active markets of ₹ 7,076 Lakhs.

Note 4: Term Loans and Bank Overdraft are taken at interest rates which are subject to reset periodically considering the then market trend and hence the carrying amount is not materially different from their fair values.

B Financial Risk management

i) Risk management framework

The Group's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Group's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Group's risk assessment and policies and processes are established to identify and analyze the risks faced by the Group to set appropriate risk limits and controls and to monitor such risks and compliance with the policies and processes. Risk assessment and policies and processes are reviewed regularly to reflect changes in market conditions and the Group's activities. The Board of Directors and the management is responsible for overseeing the Group's risk assessment and policies and processes.

ii) Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Group's receivables from customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Group grants credit terms in the normal course of business. The Group establishes an allowance for doubtful debts and impairment that represents its estimate of expected credit loss in respect of trade and other receivables and investments.

Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer and present economic scenario due to COVID 19. The demographics of the customer, including the default risk of the industry in which the customer operates also have an influence on credit risk assessment.

Concentrations of credit risk with respect to trade receivables are limited, due to the Group's customer base being large and diverse and also on account of realisation of receivables within six months. All trade receivables are reviewed and assessed for default on a regular basis.

Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

Cash and cash equivalents

The Group held cash and cash equivalents with credit worthy banks amounting to ₹ 8,875 Lakhs and ₹ 24,755 Lakhs as at March 31, 2020 and March 31, 2019 respectively. The credit worthiness of such banks is evaluated by the management on an ongoing basis and is considered to be good.

SCHEDULES

Security deposits given to lessors

The Group has given security deposit to lessors for premises leased by the Group as at March 31, 2020 and as at March 31, 2019. The credit worthiness of such lessors is evaluated by the management on an ongoing basis and is considered to be good.

iii) Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Group's reputation.

The Group has access to funds through various debt instruments option.

As of March 31, 2020, the Group had working capital of ₹ (5,984) Lakhs including inventories of ₹ 2,699 Lakhs, cash and cash equivalents of ₹ 9,751 Lakhs, trade receivables of ₹ 52,823 Lakhs, other assets of ₹ 6,858 Lakhs, employee benefit obligation of ₹ 12,861 Lakhs, trade payables of ₹ 40,103 Lakhs and other liabilities of Rs. 25,151 Lakhs.

As of March 31, 2019, the Group had working capital of ₹ 7,651 Lakhs including inventories of ₹ 2,601 Lakhs, cash and cash equivalents of ₹ 26,607 Lakhs, trade receivables of ₹ 49,102 Lakhs, other assets of ₹ 8,006 Lakhs, employee benefit obligation of ₹ 9,177 Lakhs, trade payables of ₹ 43,425 Lakhs, borrowing ₹ 7,118 Lakhs and other liabilities of ₹ 18,945 Lakhs.

iv) Market risk

Market risk is the risk of loss of future earnings, fair values of future cash flows that may result from adverse changes in market rates and prices (such as interest rates and foreign currency exchange rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Group is exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, the Group's exposure to market risk is a function of investing and borrowing activities and its revenue generating and operating activities.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Interest rate sensitivity - fixed rate instruments

The Group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk since neither the carrying amount nor the future cash flow will fluctuate because of a change in market interest rates.

Interest rate sensitivity - variable rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased / decreased equity and profit or loss by amounts shown below. This analysis assumes that all other variables, in particular, foreign currency exchange rates, remain constant. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The year end balances are not necessarily representative of the average debt outstanding during the period.

As at 31/03/2019			
Variable-rate instruments		(630)	630

b) Currency risk

The fluctuation in foreign currency exchange rates may have potential impact on the Statement of Profit and Loss account and equity, where any transaction references more than one currency or where assets/liabilities are denominated in a currency other than the functional currency of the entity.

Considering the countries and economic environment in which the Group operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in U.S. dollar and Euro, against the functional currency of the Group.

Exposure to currency risk

The summary quantitative data about the Group's exposure to currency risk as reported to the management of the Group is as follows:

The Group offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets is based on estimates of taxable income and the period over which deferred tax assets will be recovered. Any changes in future taxable income would impact the recoverability of deferred tax assets.

SCHEDULES

Notes forming part of the Consolidated Financial Statements as at and for the year ended March 31, 2020

The Group elected to exercise the option permitted under section 115BAA of the Income Tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Accordingly, the Group has recognised Provision for Income Tax for the year and re-measured its Deferred tax asset basis the rate prescribed in the said section.
