

Country: MALAYSIA / MY

Prohibited commodities

Standard DHL prohibitions plus: All items offensive to Muslim culture, particularly publications, films and videotapes, are prohibited. Malaysia has no trade or diplomatic relations with Israel. Therefore all items to and from Israel or territories administered by her are prohibited. No DOX restrictions apply but for non document, consignees must get an approval permit from the Malaysian International Trade & Industry (which may take 1 week).

Service Impact Notes

Requests for WPX return involves a tedious process with customs. Either shipper or consignee must provide a written explanation why the shipment is being returned. Customs are particularly cautious with products such as CD Rom, Laser Disc, computer equipment, portable phones, and telecommunication equipment. Customs may exercise their discretion and prohibit return if they suspect the product may enter the country again illegally.
