WORLDWIDE PACKAGE EXPRESS

DHL Commercial Invoice is not acceptable. An original shippers invoice with the shippers logo is required, otherwise the Peruvian Customs will require a consignee declaration form and this will cause delay in clearance. Please do not include the phrase "VALID ONLY FOR CUSTOMS PURPOSES" in the invoice or proforma. Otherwise Customs will require an original invoice or a consignee declaration form and clearance will be delayed. - All WPX must include Commercial Invoice with the following information: Original including shipper's logo (if shipper is a company), all shipper and consignee information (name & address) number, date & manufacturing country, contents; quantity, FOB value, weight, make, brand, model, new or used, HTS if available. Pro Formas are unacceptable. If the above information is not included on Commercial Invoice the clearance process will be delayed. If available include consignee's tax ID number.

Service Impact Notes

All WPX will pay duties/taxes (about 50% of CIF value and will be cleared taking into consideration

the World Commerce Organization rules. Customs House could adjust the CIF value. All shipments

consigned to companies must be addressed to the ones legally established in the country. If it is

consigned to a non-business person please include consignee's full legal name.

Operation Notes

All dutiable shipments consigned to Institutions exempt from import duties should be sent as

Door -to-Airport and cleared by consignee and not DHL. Shipments for temporal admission do not

require Certificate. of Inspection, but the clearance process must be conducted by a broker.
